

## Quantum Financials - Deactivating UMB Daily Digest Emails

Users of Oracle Social Network (OSN), the platform used for Grant-related communication between departments and SPAC team members, may receive daily digest emails concerning their associated contracts. If you no longer want to receive the UMB Daily Digest emails, please follow the steps below to stop receiving email notifications. You can click on the Notification hyperlink below and follow the steps to deactivate the Daily Digest. Open the email to get to the Notifications hyperlink at the end of the email message.

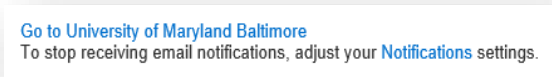

**CAUTION:** This message originates from an external source.

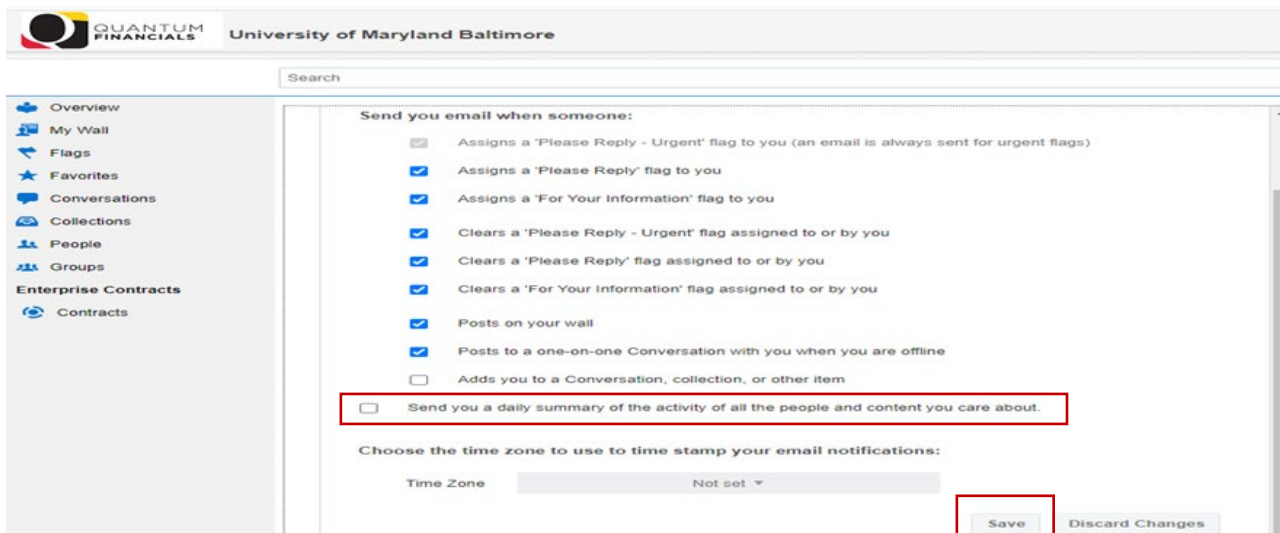

### Steps to Deactivate

- 1 Click on the Notifications hyperlink

- 2 This takes you to the following page

- 3 Uncheck the box that reads "Send you a daily summary of the activity of all the people and content you care about". Finally click save and you should no longer receive the "UMB Digest" emails
