The Federal Student Right-to-Know, Crime Awareness, and Campus Security Act now cited as the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act,” herein identified as the “Clery Act,” requires institutions of higher learning to prepare, publish, and distribute a report concerning campus crime statistics and security policies on an annual basis through appropriate publications, mailings, or computer networks to all current students and employees, and all prospective students and prospective employees upon request. This publication contains the annual report concerning specific campus crime and arrest statistics as well as information about campus policies and practices intended to promote crime awareness, campus safety, and security.

Copies of this report may be obtained from the University of Maryland, Baltimore Police Force headquarters at 222 N. Pine St., Baltimore, MD 21201 or by visiting the UMB Police Force webpage at <http://www.umaryland.edu/publicsafety/>.

2.00 CRIME STATISTICS

(Collection of Crime Statistics for the Annual Report)

In compliance with the Clery Act, the University of Maryland, Baltimore Police Force (UMBPF) has the responsibility to report certain crime statistics to the Department of Education. Additionally, the UMBPF must comply with other state and federal crime statistics reporting mandates. There is a vast difference in reporting requirements between the Clery Report and other state and federal crime statistics reporting mandates. Clery reporting requires the reporting of student disciplinary referrals that are not required by either state or federal law enforcement. Clery also mandates the collection of crime data from non-law enforcement personnel identified as “Campus Security Authorities.” Refer to section 5.04.

This report contains crime statistics that have been compiled from the 2017 calendar year and the two previous years. The statistics reported in **Section 2.02** have been compiled from data collected from three reporting sources: (1) the University of Maryland, Baltimore Police Force, (2) the Baltimore Police Department, and (3) from University of Maryland, Baltimore (non-police) campus security authorities.

Crime statistics gathered by the UMBPF are collected and reported on an annual/calendar year basis. Crime statistics for “**public property**” on each table have been collected from the Baltimore Police Department (BPD) crime data. University of Maryland, Baltimore Campus Security Authorities convey (Section 5.04) “reportable crimes” using the Clery Incident Report Form available at <http://www.umaryland.edu/publicsafety/>. Click on “Contact Us” and then “Clery Incident Report Form” to locate this document. Any reportable crime made to a campus security authority can be immediately transmitted to the UMBPF via fax machine or campus mail.

Campus Boundary Map

The University of Maryland, Baltimore Police Force is required to report crimes that occur within the campus boundary for buildings and property that are owned, leased, or controlled by the University and are used to support its educational purposes. The map below displays the campus boundaries. UMBPF has a concurrent jurisdiction agreement with the Baltimore Police Department. The agreement defines the areas of shared responsibility between the two police agencies. 2.04 Crime Statistics, Universities at Shady Grove — Three-Year Comparison

The Universities at Shady Grove (USG) is a regional center located in Rockville, Md., that supports programs from nine different institutions within the University System of Maryland. Students attend classes at USG but are still considered students of their “home campus.” In addition, employees at USG can be affiliated with any of the nine institutions.

Please access the link: <http://www.shadygrove.umd.edu/about/public-safety/> for the USG Annual Security Report that is compiled and distributed annually in compliance with the Clery Act. This publication contains crime statistics and statements of security policy. Annually, prior to Oct. 1, current students and employees are sent an email message providing them with a link to this brochure and notification that the current edition of the *Safety & Security* publication has been posted on the Universities at Shady Grove website. Printed copies may be obtained from the 24-hour security desk located in the Camille Kendall Academic Center on the Shady Grove campus.

Crime statistics for USG are reported, in their entirety, by each of the nine institutions that conduct classes at USG.

The Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (the Clery Act) mandates the manner and format in which statistics are to be collected and published. Statistical updates, if any, will be posted online (<http://www.shadygrove.umd.edu/about/public-safety/>).

The University of Maryland, Baltimore Police Force has primary jurisdiction and responsibility for investigating crimes and providing police services to the University community. Police services are available 24 hours per day, every day of the year. The UMBPF headquarters is located at 214 N. Pine St. The police operations building is located at 222 N. Pine St. In keeping with federal guidelines, it is the policy of the University that all crimes reported to any campus official must be relayed to the UMBPF (professional and pastoral counselors are exempted when acting in their official capacity).

The University of Maryland, Baltimore Police Force works cooperatively with both the Baltimore Police Department and the Maryland State Police in matters of mutual concern (see Section 4.07). A concurrent jurisdiction agreement has been established between the UMBPF and Baltimore Police Department. The UMBPF will contact the Baltimore Police Department when needed per the concurrent jurisdiction agreement.

5.01 Emergencies

Any member of the University community who is the victim of a crime on campus, or who witnesses a crime on campus, should call the University of Maryland, Baltimore Police Force **immediately at ext. 6-3333 (410-706-3333) or 711 (from an on-campus phone)** or by pushing the **red** emergency button on any **blue light** emergency phone. The UMBPF has staff on duty and available to assist 24 hours per day, each day of the year. Anyone requiring police services on the University of Maryland, Baltimore campus is to contact the UMBPF at ext. 6-3333 on campus or 410-706-3333 off-campus. The UMBPF will contact any outside agency for assistance if necessary or direct the University member how to contact the appropriate agency.

5.02 Procedures

Whenever a crime is reported, a uniformed police officer is dispatched to conduct the initial investigation, gathering information and seeking physical evidence. The investigating officer attempts to determine the basic facts by questioning all persons involved in the incident as well as any witnesses. Basic and necessary information, including home address, telephone number, and date of birth, are obtained. Please bear in mind that the police officer, by asking detailed questions, is attempting to solve the crime and apprehend the person(s) responsible. The crime scene (the area where the incident occurred) must not be disturbed, in order to preserve physical evidence such as fingerprints.

Each member of the University community is asked to be observant and to pay attention to descriptions of persons, including clothing worn, and vehicles, including license plate numbers. Any suspicious person observed in or around your residence facility, classroom, office or work area should be reported to the UMBPF **immediately at ext. 6-3333 (410-706-6333) or 6-6882 (410-706-6882); at 711 (from an on-campus phone);** or by pushing the **red** emergency button on any **blue light** emergency phone.

If additional information is needed after the initial inquiry, a patrol officer or a detective from the University of Maryland, Baltimore Police Force will be assigned to conduct a follow-up investigation. UMB is committed to doing everything possible to assist crime victims and witnesses. When you report a crime to the UMBPF, or are interviewed as a witness, the investigating officer will provide you with a Victim and Witness Assistance Guide. This brochure contains important information to aid in coping with your experience. Information and assistance for victims and witnesses, including referral to counseling resources, both routine and emergency, as well as legal, medical, and social service referrals, are available from the UMBPF 24 hours each day. Additional services, such as case status information, court liaison, and security surveys, are available by contacting the victim/witness coordinator at 6-5547 (410-706-5547).

5.03 Limited Voluntary/Confidential Reporting

The University of Maryland, Baltimore Police Force encourages anyone who is a victim or witness to any crime to promptly report the incident to the police. Because police reports are public records under state law, the UMBPF cannot hold reports of a crime in confidence. Confidential reports for the purposes of inclusion in the annual disclosure of crime statistics can generally be made to other University of Maryland, Baltimore campus security authorities, as defined in Section 5.04 of this report.

Professional and pastoral counselors are exempt from reporting requirements. UMB encourages counselors and clergy, if and when they deem it appropriate, to inform those they counsel of procedures for reporting crimes on a voluntary, confidential basis to any Campus Security Authority (CSA) for inclusion in the annual security report.

5.04 Campus Security Authorities

The Clery Act mandates that institutions disclose statistics for crimes reported to local police agencies and crimes reported to campus security authorities. The intent of including non-law enforcement personnel as Campus Security Authorities is to acknowledge that many individuals, students in particular, are hesitant about reporting crimes to the police, but may be more inclined to report incidents to other campus-affiliated individuals.

A campus security authority is defined as:

- A campus law enforcement unit;
- Any individual or individuals who have responsibility for campus security, but who do not constitute a campus security force, such as an individual who is responsible for monitoring entrance into school property (e.g., an access monitor);
- An individual or organization specified in a school's campus security statement as the individual or organization to which students and employees should report criminal offenses; and
- An official of a school who has significant responsibility for student and campus activities including, but not limited to, student housing, student discipline, and campus judicial proceedings.

Campus Security Authority Cite 34 CFR 668.46(a)

Although, we encourage the reporting of campus criminal activity directly to the University of Maryland, Baltimore Police Force, in some instances members of the University community may choose to file a report with one of the other campus security authorities. Crime statistics are continuously gathered from UMB campus security authorities using the convenient and accessible Clery Incident Report Form. This two-page form ([Attachment III](#)) is available from the UMB Police Force website at: www.umaryland.edu/police in a downloadable PDF format. A crime reported to any campus security authority can be immediately conveyed to the UMBPF via email, fax, or campus mail. For reporting purposes at UMB, campus security authorities have been identified as:

The UMBPF may withhold information from the daily crime log if the release of such information would jeopardize an ongoing criminal investigation or the safety of an individual, cause a suspect to evade detection or flee, and/or result in the destruction of evidence.

UMBPF's crime log covers the most recent 60-day period and is open for public inspection during normal business hours. Crime log information dating back more than 60 days will be made available for inspection within two business days of a written request.

6.00 CRIME PREVENTION

(Programs to Inform About Crime Prevention and Programs About Security Practices)

The University of Maryland, Baltimore Police Force, working in cooperation with other University departments and schools, has developed a very active and comprehensive program with the objective of preventing crime to the fullest extent possible through awareness and participation of the University community. While the UMBPF may offer advice and assistance regarding campus safety, each individual has the primary responsibility for his/her own safety.

The dedicated individuals of the UMBPF are committed to the principles of community policing. Crime prevention/awareness programs begin with new student or employee orientation presentations. Through the UMBPF website, special pamphlets, flyers, and the crime log, the University community is informed of crime trends, safety tips, and special programs. Special UMB alerts (timely warnings) also are made through the University's electronic mail system as noted in Section 7.01.

Upon request from any department, student organization, or residence facility, the UMBPF will provide informational seminars, including speakers, on a variety of topics including the prevention of rape and sexual assault, theft and robbery prevention, drug and alcohol awareness, safety issues, and advice about personal defense. Members of the UMBPF also routinely participate in Safety Awareness Committee meetings on these and other crime prevention subjects. The UMBPF attends Student Government Association meetings upon invitation to answer any questions and provide information relative to crimes and crime trends on campus.

Operation Identification allows any member of the University community to have personal property engraved with a personally selected number to facilitate the recovery of property that is lost or stolen. Please contact the UMBPF at 6-6882 (410-706-6882) to request this service. Any academic or administrative department may also request that a security survey be conducted by the UMBPF to identify areas of potential risk and to offer recommendations to enhance security.

The University of Maryland, Baltimore Police Force and the Interprofessional Student Leadership Service Initiatives (ISLSI) office offer the Rape Aggression Defense (R.A.D.) System, a program of realistic self-defense tactics and techniques for women of the UMB community. The R.A.D. System is a comprehensive course that begins with awareness, prevention, risk reduction, and risk avoidance, while progressing on to the basics of hands-on defense training. R.A.D. is not a martial arts program. The UMBPF, in conjunction with ISLSI, notifies the University community when the course will be taught.

Anyone wishing to request such crime prevention service, or desiring more information, should contact the UMBPF at 6-6882 (410-706-6882).

6.01 Campus Safety/Education

6.02 Campus Residence Facilities

The two residence facilities on campus are locked 24 hours per day. A key or access card is required to gain entry to the gated courtyard of the Fayette Square Apartments or through the doors of the Pascault Row Apartments, and to individual rooms. The facility manager or security officers are stationed in the entry building of the Fayette Square Apartments for the purpose of ensuring that only persons with official business to conduct are allowed to enter.

Campus residents are reminded that crime can happen anywhere, at any time, to anyone. Residents must take personal safety issues very seriously. Crime prevention is everyone’s responsibility. Residents should be especially mindful of the following:

- Keep room and apartment doors locked at all times. Never prop open the exterior doors or doors to your room.
- Secure all valuables out of sight.
- Do not leave personal property unattended.
- Report all suspicious activity or persons immediately to the UMBPF.
- Never walk alone at night and always stay in well-lit areas.

Emergency telephones have been installed throughout the campus. Everyone should be alert for any suspicious activity or other emergency and use a [blue light telephone](#) for immediate contact with the UMBPF. [Blue light telephone](#) locations are available both online and on printed maps.

6.03 Escort Service

The University of Maryland, Baltimore Police Force maintains a riding escort service that operates from 3 p.m. to 1 a.m., 365 days a year. The service is available by calling 6-6882 (410-706-6882). Students and employees may also contact the UMBPF to request a walking escort any time of the day.

7.00 CRIME ALERT BULLETIN

(Timely Warnings and Early Notifications)

To safeguard the University community, to increase crime awareness, and to meet our timely warning commitments (subject to the availability of accurate information), UMB Alerts shall be distributed as soon as possible following a reported incident. The circumstances of any particular situation coupled with the University of Maryland, Baltimore Police Force's evaluation of the situation/threat potential will dictate the need and manner for the issuance of a Crime Alert bulletin.

However, in general, whenever there has been a report of a violent crime or a major property crime on campus and the UMBPF is of the opinion that the safety of the University community is at risk, a UMB Alert will be issued. The alert process will at a minimum entail a combination of all campus electronic mail postings and electronic posting on the UMBPF webpage at <http://www.umaryland.edu/publicsafety/>. Physical postings of bulletins in designated University buildings and residential facilities by campus police security personnel may be an option depending upon circumstances.

7.01 Timely Warnings

The University of Maryland, Baltimore Police Force is tasked with making the decision whether to issue a UMB Alert. The alert shall include, but not be limited to, the following items if available:

- Description of the incident (type of crime, time, date, location, etc.)
- Physical description of the offender
- Safety notice (when practical) specific to the incident

For a sample UMB Alert, see Attachment V.

7.02 Distribution Procedures

There is no single best method to distribute a UMB Alert. However, depending upon the circumstances of the particular case, a UMB Alert bulletin will often be limited to Universitywide electronic mail distribution. Other situations may necessitate the physical posting of bulletins in designated campus areas. All UMB Alerts are posted on the UMBPF's website at <http://www.umaryland.edu/publicsafety/>.

For the UMB Alert procedure, see Attachment XI.

7.03 Emergency Management

As part of the University's Emergency Management Plan, the University uses several notification mediums designed to ensure that vital information is communicated quickly in an emergency. The system is capable of rapidly sending text and voice messages to identified devices and systems.

- Campus emergency information phone line, 8622 (410-706-UMAB)
- University alerts — e2Campus Alert System
- Mass notification system (public address system)

In the event campus evacuation is recommended by the Emergency Management Team or the appropriate governmental authority and approved by the president of the University, the following actions will be taken: notification will be sent to the individual schools and administrative departments via the usual communication channels (telephone, internet, email, and voicemail); fire wardens and shelter in place coordinators will be notified to make sure the information is distributed. More information on the evacuation plan can be found at http://www.umaryland.edu/media/umb/umb-alerts/emergency_mgmt_plan.pdf

Exercises and drills are key parts of the University's emergency response management program. The emergency management director is responsible for scheduling and oversight of emergency exercises. Exercises are developed based on an assessment of which areas of emergency response capability need testing and will include appropriate internal and external groups needed to effectively test the University's response.

7.04 Distinction Between Timely Warnings and Emergency Notifications

Federal law has required that universities issue "timely warnings" of potential dangers to the University community involving criminal activity. While such warnings must be "timely," they need not be immediate, and can await the results of investigations into the danger. Recent events have caused universities to develop emergency notification systems that could quickly notify all or selected members of the University community of immediate dangers including active shooters, fires, or severe and dangerous weather incidents.

8.00 MISSING STUDENTS

(Campus Policies and Procedures on Missing Students)

8.01 Scope

This policy and procedure is established pursuant to federal law (20 USC § 1092 (j)) that requires any institution that participates in a Title IV federal student financial aid program and that maintains on-campus housing facilities to establish a missing student notification policy. This policy applies specifically to students who reside in University on-campus residential facilities ("UMB Housing").

8.02 Policy

Missing student reports should be reported immediately. Campus police receive missing person reports and make the determination for the University that a student is deemed missing under this policy. The University of Maryland, Baltimore will allow each student to designate an emergency contact. All contact information will remain confidential accessible to authorized campus officials and law enforcement personnel in furtherance of a missing person investigation. UMB will notify the parent or guardian of a student under the age of 18 within 24 hours after a student is determined to be missing. UMB will notify appropriate law enforcement agencies and campus officials within 24 hours after a student is determined to be missing.

8.03 Procedure

Any person may make a missing student report. The report should be made immediately to the University of Maryland, Baltimore Police Force by calling 711 (from an on-campus phone), or 6-3333 (410-706-3333) or 6-6882 (410-706-6882) or visiting 214 N. Pine St., Baltimore, MD 21201. The UMBPF is responsible for investigating each report and determining if a student should be classified as missing. The UMBPF will initiate the report and notify the assistant vice president of academic and student affairs and the general manager for University housing. UMB will notify the emergency contact within 24 hours after a student is determined to be missing. UMB will notify the parent or guardian of a student under the age of 18 within 24 hours after a student is determined to be missing. UMB Missing Student Policy can be found at:

9.02 Sexual Assault, Domestic Violence, Dating Violence, and Stalking Safety Procedures

Persons who believe they have been sexually assaulted or who have been the victim of any type of sex offense, interpersonal violence, or stalking should immediately report the incident to the University of Maryland, Baltimore Police Force by calling 6-6882 (410-706-6882) or 6-3333 (410-706-3333), the University Title IX coordinator by calling 6-2281 (410-706-2281), or both. The Title IX coordinator can assist with notification of off-campus authorities, obtaining medical attention, accessing counseling on- and off-campus, and providing information about additional campus resources and applicable policies and procedures. Immediately following an incident, the following is strongly suggested:

- Get to a safe place.
- Call the police and/or the University Title IX coordinator immediately.
- If you are not sure about filing a criminal complaint or seeking a protective/peace order, but you may want to file a complaint at a later time, you are encouraged to obtain a medical evidentiary forensic examination (as appropriate to the incident). You are encouraged to file a police report and you always have the right to change your mind and not to pursue a criminal complaint or petition for court ordered protection.
- If you are not sure what to do, you can call TurnAround, Inc. (Rape Crisis and Recovery Center) 410-377-8111, or its helpline at 443-279-0379. The advocate will provide you with options and you will not need to give your name.

Sexual Assault:

- If possible, do not bathe, shower, douche, change your clothes, or disturb anything at the crime scene. Extremely valuable physical evidence can be obtained from you, your clothing, and objects at the scene of the crime.
- The Emergency Department at Mercy Medical Center, located at 345 St. Paul Place,

Baltimore, MD 21201, operates a Sexual Assault Forensic Examiner (SAFE) program that offers free exams from trained forensic nurse examiners. They can be reached at 410-332-9494.

- If you do not wish to make a report to the police to obtain a medical evidentiary forensic examination, you are still encouraged to seek professional medical advice as soon as possible for an STI screen, pregnancy test, prophylactic HIV treatment, and other palliative and preventative medical care.
- If you live with or are otherwise controlled in day-to-day living by the assailant and are not ready to leave or otherwise change these circumstances, you are still encouraged to develop a safety plan with assistance from a counselor or community agency.

Stalking:

- Trust your instincts if you feel unsafe and never dismiss direct threats. Use the contact recommendations listed above and also alert friends and family. Don't communicate with the stalker or respond to attempts to contact you.
- Keep all evidence of the stalking. When the stalker follows you or contacts you, write down the time, date, and place. Keep emails, text messages, phone messages, letters, or notes. Photograph anything of yours the stalker damages and any injuries the stalker causes. Ask witnesses to write down what they saw.
- For additional information, go to <http://victimsofcrime.org/our-programs/stalking-resource-center/help-for-victims>.

Refer to the UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination, Attachment IV, and the USM Policy on Sexual Misconduct, Attachment VI.

9.03 Physical Evidence

The timely preservation of physical evidence is essential to the successful prosecution of most sex offenses and/or instances of interpersonal relationship violence. Considering the time-sensitive nature regarding the preservation and collection of such evidence, it is essential that the University of Maryland, Baltimore Police Force be contacted as soon as possible.

Due to the sophisticated investigative resources required to properly investigate certain sex crimes, the UMBPF has a concurrent jurisdiction agreement with the Baltimore Police Department to take primary investigative responsibility for investigating first- and second-degree rapes and first- and second-degree sex offenses. The UMBPF also will assign an investigator to facilitate internal University incident management and internal judicial affairs protocols.

9.04 Campus and Community Resources

9.05 Confidentiality

The Title IX coordinator will work collaboratively with a reporting individual to establish the appropriate parameters of confidentiality in each case, always making every effort to operate with discretion and maintain the privacy of the individuals involved. If the complainant requests that the Title IX coordinator keep the matter confidential, the Title IX coordinator will carefully evaluate that request by balancing the complainant's wish for privacy against the safety and welfare of the UMB community. Where there is a need to preserve the health and safety of the victim and/or members of the University community, information may be shared on a need-to-know basis. Unless there is an imminent threat to health or safety or basis for disclosure, such as child abuse, confidentiality is offered when individuals seek support services from the Employee Assistance Program and the Student Counseling Center, or when a report is made through the UMB Ethics Point Hotline.

UMB recognizes that sexual violence, interpersonal violence, and stalking are a sensitive subject matter for all parties involved. However, persons should be aware that the University may need to disclose information to conduct an investigation, resolve a complaint, and comply with applicable law. UMB shall share details about investigations with those who have a need to know. Investigations of complaints often require the complainant's identity to be known by the party or parties whose conduct is being reviewed. Individuals who wish to make a confidential complaint of sexual violence, interpersonal violence or stalking should speak with those who have a professional or legal obligation to keep communications confidential.

9.06 Sexual Misconduct Education/Prevention Programs

A variety of crime prevention educational programs are provided to the University community throughout the year. Topics include personal safety, date rape, police services, crime prevention tips, and Rape Aggression Defense (R.A.D.) System. Programs are accompanied by

informational bulletins, posters, crime prevention books, and pamphlets that are posted around the University to promote campus crime prevention. Most information is targeted for a specific area or time frame, such as crime prevention tips for resident students, protecting employee property, and working in open areas where non-employees have accessibility.

Upon request, the director of public safety or designee will provide crime prevention recommendations and input to any requesting University group. For more information about campus safety, University security policies or crime prevention services, call the UMBPF at 6-6882 (410-706-6882). By being aware that crime does occur on campus, members of the University community can take positive measures to prevent crime. Such positive measures include locking doors, keeping valuables in a safe place, avoiding walking in areas that look unsafe or are not well-lighted, using the police escort service, and being alert to surroundings.

Sex and Gender-Based Violence Primary Prevention and Awareness Education

In addition to programs described above, all UMB faculty, staff members, and affiliates are required to complete an online Title IX awareness training program each academic year. The purposes of this mandatory online training are to help employees recognize examples of sexual discrimination in higher educational settings, learn practical strategies for responding to sexual misconduct, and to model appropriate behavior according to UMB policy. Mandatory online training also is deployed to all new students. Returning students are provided with a refresher program at the beginning of each academic year. The student training includes an overview of Title IX legislation, as well as UMB's obligations and students' rights under the law. The training also discusses UMB's policies and procedures related to sex-based discrimination, including sexual harassment and sexual violence, as well as how to report an incident. Additionally, the training includes information on alcohol awareness, bystander intervention, how to recognize problem behaviors, and about the on- and off-campus resources for those who experience any form of sex-based discrimination. A separate online employee and affiliate training is also required covering similar information to that provided in the student training.

Ongoing Prevention and Awareness Campaigns

Upon request, the University's Office of Accountability and Compliance (OAC) also will conduct presentations to members of the UMB community, including UMB students or affiliates, to educate them on Title IX and how it applies to UMB, reporting sexual misconduct, and ways they can prevent sexual misconduct through risk reduction strategies and bystander intervention. Education and outreach entities throughout the campus also offer programs from time to time on topics pertaining to Title IX. Beyond UMBPF and OAC, UMB's Wellness Hub, UMB Community Collaborative on Intimate Partner Violence, URecFit, and others contribute to awareness and education efforts.

Domestic Violence Specifically

The UMBPF is committed to reducing the incidence and severity of domestic violence by recognizing it as a significant societal problem and dealing with it as a serious criminal offense. As a result, the UMBPF will strive to educate victims of their legal rights, advise victims of the help that is available and encourage victims to seek legal and social assistance, hold abusers accountable for their actions and make arrests when there is evidence of injury consistent with warrantless arrest criteria.

Domestic violence is a physical injury, or the threat of physical injury committed by a person in an intimate relationship with the victim. Intimate relationship refers to relationships that are heterosexual or homosexual and have a sexual or emotional component, or have had a sexual or emotional component.

1. Persons involved in an intimate relationship are partners who:
 - a. Are married, separated, or divorced
 - b. Live or have lived together
 - c. Have children in common
 - d. Date or have dated, but do not live or have never lived together.
2. Persons not involved in an intimate relationship are:
 - a. Other family members such as children or parents.
 - b. Individuals living together in a situation in which the relationship is usually not considered intimate, such as dormitory or rooming arrangements.

If there is an existing temporary protection order or peace order already in place, the investigating officer shall determine whether the perpetrator has violated the order and respond appropriately as provided by law for such violations. The UMBPF does not issue orders of protection, but uses the services of the Baltimore City Sheriff's Office.

If there **is not** an existing temporary protection order or peace order already in place, the UMBPF can assist with filing restraining orders that may take the form of protective/peace orders (interim, temporary, and final) issued by the District Court (1400 North Ave.) and shall be served immediately by law enforcement officers.

The UMBPF provides victims/witnesses with literature and programs, which assist with victim assistance and related community services available within the serviced area. Information pertaining to these services include but are not limited to: University of Maryland, Baltimore Police Force Victim Assistance/Incident Information Form, "UMB Safety Begins with You: A Guide to Campus Security" booklet, TurnAround Counseling Services, Roberta's House Counseling Services, House of Ruth Domestic Violence Counseling and Housing Services, UMB Employee Assistance Program, and the Baltimore State's Attorney Office.

9.07 Campus Policy and Procedures for Reporting and Adjudicating Complaints of Sexual Misconduct

A student and other community members with a complaint about sexual harassment or sexual violence, including sexual assault, domestic or dating violence and stalking, should report to the Title IX coordinator.

The procedures for filing a complaint and campus investigation proceedings are found in the UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination, as well as one of two procedural documents based on the status of the accused. Attachment VII.A., UMB Procedures for Adjudicating Complaints Against UMB Personnel of Sexual Misconduct and Sex and Gender-Based Discrimination (Policy VI-1.60(B)) Attachment VII is followed when the respondent to a complaint is an employee. This procedure also offers guidance regarding the management of claims involving affiliates not directly employed by UMB. UMB Procedures for Adjudicating Complaints Involving Students of Sexual Misconduct and Sex and Gender-Based Discrimination (Policy VI-1.60(C)) Attachment IV outlines the process when a student is the respondent to a complaint.

The University is committed to working with a complainant and a respondent through a prompt, fair, and impartial investigation process. During the campus investigation, both the complainant and the respondent are entitled to the same opportunities to meet with the investigator, submit written statements, names of witnesses and other evidence, and consult with and obtain advice and support from personal and/or legal advisors. Both the complainant and the respondent shall receive notification that is as close to simultaneous as possible with respect to the outcome of an investigation, as well as the final determination regarding sanctions and remedial action where there is an allegation of sexual assault, domestic violence, dating violence, or stalking. Both the complainant and the respondent are entitled to appeal. Outcomes will be reached using the standard of preponderance of the evidence (more likely than not). Proven sexual harassment or sexual violence, including sexual assault, will result in remedial and disciplinary action that may include but are not limited to suspension, expulsion, or dismissal.

Appeal options exist for the complainant and the respondent. The specific procedure depends on whether the accused is an employee or a student.

When a complaint involves the alleged conduct of an employee, the appealing party must submit their written appeal to the appropriate dean, vice president, unit head, or designee detailing the basis for the appeal. Upon receipt and prompt review of the report and any written appeals, the UMB dean, vice president, unit head or designee may (a) affirm the finding; (b) alter the finding; or (c) return the matter to the Title IX coordinator with instructions to cure a procedural or substantive error or to assess the weight and impact of newly discovered evidence. At the conclusion of the investigative and appellate process after the finding has become final, the Title IX coordinator, or designee, shall issue a final outcome notice to both parties separately and concurrently, in writing, and in person, when possible. Issuance of the notice completes the investigation and adjudication under these procedures.

When a complaint involves the alleged conduct of a student, the complainant and the respondent each may appeal for reconsideration of a University administrator's decision to which they are subject. The University administrator in consultation with the Title IX coordinator will consider the documents submitted on appeal and issue a final determination or other appropriate action regarding sanctions and remedial action. The Title IX coordinator will ensure that the complainant and respondent have been informed of the University administrator's final decision about sanction and remediation.

The Title IX coordinator will assist a complainant with interim responsive action if needed, including but not limited to, arranging alternate academic or living situations, coordinating with schools to reschedule assignments or exams, facilitating change of class sections, authorizing leave to attend counseling and health care appointments, etc.

The Title IX coordinator, deputy Title IX coordinator, and other designees are trained annually and through ongoing professional development opportunities on issues related to domestic violence, dating violence, sexual assault, and stalking, as well as investigative techniques and the review and investigation process. All available steps are taken to assure that training and practice protect the safety of victims and promote accountability.

9.08 Victims' Rights

- Victims have the right to be free from undue coercion to pursue or not pursue any course of action.
- Victims who have not yet reported to an employee who is required to notify the Title IX coordinator may request and receive information on how to make a confidential report for the purposes of tracking campus crime without otherwise revealing details that would require or permit UMB to review and respond.
- Upon notifying UMB of alleged incident of sex or gender-based violence or harassment, victims will be informed of their options including a description of necessary steps and potential consequences of each option.
- Victims have the right to be advised of their option to notify appropriate law enforcement

authorities, and be informed about how to receive assistance from the University in notifying these authorities, if requested.

- Victims have the right to be fully informed of any applicable disciplinary conduct process and procedures.
- Upon written request, the dean of student affairs will disclose to the victim of a crime of violence or a sex offense, (or the victim's next of kin if the victim dies as a result of the crime or offense) the final results of the University's conduct code proceedings dealing with that specific crime or offense.
- Where applicable, victims will be informed of the institution's role regarding orders of protection, no contact orders, restraining orders, or similar lawful orders issued by a civil, criminal, or tribal court.
- Victims have the same right as the accused to attend and have a support person of their choice and/or witnesses present at all meetings and during all conversations that are part of the review process.
- Victims have the right to be informed of the outcome of any student or colleague conduct process involving alleged sex or gender-based misconduct. In the case of student conduct proceedings, victims have the right to appeal the outcome.
- Victims have the right to request a change in academic, on-campus employment, or on-campus living arrangements, after the alleged sex or gender-based violence or harassment and to be informed of the reasonably available options for those changes or other interim or protective measures even if the victim does not choose to report the crime to law enforcement.
- Victims will be informed in writing about campus and/or community resources for counseling, advocacy, and/or other services for survivors of sexual assault, relationship violence, and other forms of sexual misconduct.

9.09 Rape on College Campuses

Although you may never have been personally involved in a sexually violent situation, chances are that someone you know has been. The following material will address the subject of acquaintance rape — a problem that is increasing on university campuses. It will define acquaintance rape, offer suggestions on how to avoid it, and give information on how to help a victim. Rape is not just a problem for women. Men and women must work together to bring about the changes needed to end sexual violence.

Types of Rape

People who are forced to have sexual contact against their will are victims of sexual assault. If the assault involves sexual intercourse by force or without consent, it is rape. Two types of rape include:

Acquaintance rape — rape by someone the victim knows (this type of rape occurs most often)

Stranger rape — rape by someone unknown to the victim

Rapists aren't always strangers. When someone you know — a date, significant other, or casual friend — forces you to have sex, it's still rape. Data indicate that women are victims of sexual assault, including rape, at higher rates. However, sexual assault affects individuals of any gender.

Risk Reduction

There are no definite rules to avoid becoming a victim of acquaintance rape and other forms of sexual assault. However, there are precautions we all can take that may limit our exposure to situations that could result in non-consensual sexual acts by or against us.

- Remember that consent should be affirmative and continuous. If there is any question or ambiguity, you should proceed as if you do not have consent.
- Recognize the potential for a sexual partner to feel intimidated or coerced by you as a result of a power advantage (size, strength, social capital, etc.). Do not use or abuse that power.
- Clearly communicate your intentions and give your sexual partner the opportunity to clearly communicate the same.
- Consider mixed messages from a partner to be an indication that sexual conduct should stop so that better communication can occur.
- Do not make assumptions about consent, sexual availability, sexual attraction, how far an interaction can go, or about physical and/or mental ability to consent.
- If someone shares intimate images, pictures, videos, or content with you, discuss and honor their expectations regarding how the information may be used, shared, or disseminated.
- Do not take advantage of someone's intoxication or altered state even if alcohol or drugs were consumed willingly.
- Acknowledge that alcohol/drugs lower sexual inhibitions and may make you vulnerable to someone who sees an impaired person as a sexual opportunity.
- Take responsibility for your alcohol/drug use.
- If possible, leave the physical presence of a sexual aggressor or otherwise violently aggressive person.
- Communicate limits/boundaries and respect the limits/boundaries of others.
- Clearly and firmly say "No" to a sexual aggressor.
- If someone is nearby, ask for help. Bystander intervention preventing rape and other forms of sexual assault is everyone's responsibility. You can help prevent sexual misconduct and other forms of harassment. Always assess a situation to determine the safest/best possible course of action for all concerned.

- Step in to change the course of an interaction.
- Make an excuse to get someone out of a dangerous situation.
- Warn a potential or perceived perpetrator that their actions may lead to severe consequences.
- Refuse to leave the company of a potential victim despite efforts of an aggressor/pursuer to get them alone.
- Call the police or security.
- Remain at the scene of observed misconduct to offer a witness statement subsequent to police or security intervention.
- Participate in activities that seek to hold an aggressor accountable.
- Have honest conversations about sexual violence and harassment.
- Refuse to participate in conversations that degrade and objectify others sexually.
- Commit to being part of the solution before you find yourself in a position to stop misconduct.
- When you suspect someone has experienced sexual violence or harassment, ask them.
- When someone says they experienced sexual violence or harassment, believe and support them.

Date Rape Drugs and Alcohol

Alcohol

Alcohol causes greater misperceptions by reducing the ability to process complex stimuli, resulting in poor decision-making and reduced ability to communicate your own or respect another person's boundaries.

In more than 75 percent of college rapes, alcohol was involved in some way.

Rohypnol and GHB

Rohypnol and GHB are called the date rape drugs because when they are slipped into someone's drink, a sexual assault can then take place without the victim being able to remember what happened.

Rohypnol

Referred to as "roofies," "roopies," "circles," and the "forget pills," rohypnol works like a tranquilizer. It causes muscle weakness, fatigue, and slurred speech, loss of motor coordination and judgment, and amnesia that lasts up to 24 hours. It looks like an aspirin — small, white,

round.

GHB (Gamma-Hydroxybutyrate)

GHB (also known as “liquid X,” “salt water,” or “scoop”) causes quick sedation. Its effects are drowsiness, nausea, vomiting, headaches, dizziness, coma, and death. Its most common form is clear liquid although it can also be a white, grainy powder.

Understanding Consent

Consent is a voluntary, conscious, affirmative agreement to engage in a specific sexual act. Consent can only exist free from force, threat of force, or coercion.

Rules apply when assessing whether consent has been/was given.

- Consent can never be assumed.
- Consent cannot be implied from either the lack of explicit consent or the lack of explicit dissent.
- Where there is use of threat or force by the accused, the lack of verbal or physical resistance or the submission by the victim does not constitute consent.
- The manner of dress of the victim does not constitute consent.
- Past consent to sexual contact and/or a shared sexual history does not imply consent to future sexual contact.
- A person who initially consents to sexual contact including penetration may withdraw continued consent at any time during the course of that interaction.
- Consent to some form of sexual activity cannot automatically be taken as consent to any other form of sexual activity.
- Intoxication due to use of alcohol or drugs may impair an individual's capacity to consent freely and may render an individual incapable of giving consent.
- A power differential between people engaged in a sexual act presumes the inability to consent for the less powerful person (e.g., the student in a student-employee interaction; the supervisee in a direct report-supervisor interaction).

10.00 REGISTERED SEX OFFENDER INFORMATION

(Location of Registered Sex Offender Information)

The Campus Sex Crimes Prevention Act is a federal law enacted Oct. 28, 2000, that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education, or working or volunteering on campus.

The act amends the Jacob Wetterling Crimes Against Children and Sexually Violent Offender Registration Act that requires sex offenders already required to register in a state to provide notice, as required under state law, to each institution of higher education in that state at which the person is employed, carries on a vocation, or is a student. Furthermore, it requires that state procedures ensure that this registration information is promptly made available to law enforcement agencies with jurisdiction where the institutions of higher education are located and that it is entered into appropriate state records or data systems. These changes took effect Oct. 28, 2002.

It also amends the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act to require institutions of higher education to issue a statement, in addition to other disclosures required under that act, advising the campus community where law enforcement agency information provided by a state concerning registered sex offenders may be obtained.

These changes took effect Oct. 28, 2002, and this notice took place beginning with the annual security report due Oct. 1, 2003.

The Office of Accountability and Compliance and the University of Maryland, Baltimore Police Force receive annual training on the issues related to dating violence, domestic violence, sexual assault and stalking, and on how to conduct an investigation and hearing process that protects the safety of the victims and promotes accountability.

Lastly, the act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders. It also requires the secretary of education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

To find the sex offender registry for Maryland, visit:

www.dpscs.state.md.us/onlineservs/socem/default.shtml. This website provides access to information on registrants employed or enrolled at Maryland institutions of higher education.

11.00 SUBSTANCE ABUSE

(Policies on Alcoholic Beverages, Illegal Drugs, and Drug/Alcohol Abuse Programs)

11.01 Alcohol Policies

Any person using alcoholic beverages while on the University of Maryland, Baltimore campus shall be responsible to all civil and University authorities for compliance with state and county laws and the University Alcohol Policy. It is illegal in the state of Maryland for anyone under the age of 21 to purchase, possess, or consume alcohol or to falsify or misrepresent his or her age to obtain alcohol. It is also illegal in Baltimore to possess alcohol in an open container in any public area that has not been specifically designated as a location in which alcohol may be consumed.

11.02 Drug Policies

The use, possession, and/or sale of illegal drugs are violations of the University's Substance Abuse Policy, the faculty contract, and the terms of employment of administrative, classified, and contingent staff. Faculty, students, and staff who use, possess, or sell illegal drugs are subject to criminal prosecution as well as administrative disciplinary actions including mandatory counseling, suspension, or dismissal.

11.03 Enforcement

The possession, sale, or furnishing of alcohol and illicit drugs on the University campus is governed by the University's Policy on Substance Abuse (Attachment VIII), the University Code of Conduct for each school, and state and federal laws. These laws are strictly enforced by the UMBPF. Violators are subject to University disciplinary action, criminal prosecution, fines, and/or imprisonment.

11.04 Education

Numerous drug and alcohol abuse prevention programs are presented each year through a cooperative effort of many University departments and schools. Alcohol counseling and drug rehabilitation programs and referrals are available at the Student Counseling Center (www.umaryland.edu/counseling). Students may participate in drug, alcohol, and other substance abuse education programs conducted by Student Health. Information may be obtained by visiting the Student Health website, www.umaryland.edu/health.

12.00 CAMPUS FACILITIES ACCESS AND SECURITY

(Security of and Access to Campus Facilities)

12.01 Access to Campus Facilities

All academic buildings on campus are generally open from 7 a.m. to 11:45 p.m., Monday through Friday. Certain academic buildings also are open for weekend classes and special activities. All campus facilities and grounds are maintained in such a manner as to enhance security. While on patrol, police officers and security officers observing lights malfunctioning will submit work orders so the repairs are made in a timely manner.

12.02 Residential Life

The University of Maryland, Baltimore is an urban campus with two residential facilities housing a maximum of 426 students. The UMB Police Force and Housing and Residential Life personnel work closely together to create a safe and comfortable living and learning environment.

Theft is the most common crime problem in the residential areas; therefore, precautions should be exercised at all times. Residents are encouraged to be watchful and cautious — be aware of your surroundings and the presence of unknown persons. Residents are reminded to always lock their doors to reduce the opportunity of crime.

12.03 Solicitors

Door-to-door solicitation is prohibited at the University. Residents are encouraged to report the presence of such persons to residential life personnel and/or the UMBPF. Residents also are advised to keep their resident hall or apartment doors locked at all times. Residents are encouraged not to hesitate to ask for assistance from any residential life staff member, security officer, or police officer.

12.04 Shuttle Bus Service

The University of Maryland *shuttle* provides the University community with a variety of bus routes that travel to neighborhoods such as Federal Hill, Mount Vernon, Canton/Fells Point, and the BioPark, transporting University of Maryland students, faculty, and staff and University of Maryland Medical Center employees to and from the University fare-free.

UM *shuttle* routes connect with Baltimore City public transportation such as the Charm City Circulator, the Maryland Transit Administration MARC train, Light Rail, Metro subway, and local bus service. Visit the *shuttle* website at www.umaryland.edu/shuttlebus for more information or call 410-706-BBUS.

12.05 Parking Structures

The University maintains seven parking garages on campus and has spaces for students in an off-campus garage. To reduce the chance of property loss, never leave your vehicle running or unlocked, and do not leave keys in the ignition or the windows down. Keep all valuables out of sight. Use security devices such as a car alarm, steering wheel lock, and/or a fuel/electric cutoff switch. When approaching your vehicle, have your keys in hand and remember to look inside your vehicle before you get in.

12.06 Fire Safety

Fire safety is a high priority at the University of Maryland, Baltimore. Fire and life safety system testing, fire safety inspections, fire drills, false alarm prevention activities, and fire safety information for students help to make on-campus student housing safer from fire. The following information comprises the UMB Fire Safety Report required by 34 CFR 668.49 for each on-campus student housing location.

Fire statistics for each on-campus student housing facility (three most recent calendar years) (34 CFR 668.49(2)(b)(1)):

Description of each on-campus student housing facility fire safety system (34 CFR 668.49(2)(b)(2))

There are two on-campus student housing facilities at the University of Maryland, Baltimore. They are the University Suites at Fayette Square and Pascault Row. The following information describes the fire safety system in each facility.

University Suites at Fayette Square

The University Suites at Fayette Square is protected with a wet pipe sprinkler system on occupied floors and a dry pipe system in the parking garage levels. The fire department connection is located on the east side of the building on Fayette Street. Fire department suppression equipment has access to the west, south, and limited east sides of the structures. These systems are supported by a 750 gpm fire pump in the basement. Knox FDC caps have been installed on the fire department connection to prevent vandalism. Portable fire extinguishers are located throughout the facility.

A complete fire alarm system consisting of manual pull stations, audible voice/visible alarms, sprinkler water flow, and valve supervisory devices and duct smoke detectors (supervisory signal only) has been installed. Single station local smoke alarms are located in all apartments.

A Fire Command Center is located in the ground floor to the left of the elevator lobby.

Pascault Row

Pascault Row is protected with a residential wet sprinkler system. The system contains water flow alarms, and valve supervisory switches connected to the building fire alarm system. Standpipes are located with hose valves on each level of the stairwells. The fire department connection is located on Lexington Street. Knox FDC caps are installed on fire department connections to prevent vandalism. Portable fire extinguishers are located throughout the facility.

The building is equipped with an interior fire alarm system consisting of manual pull stations, water flow devices, and audible/visual devices that transmit a signal to the Pine Street Police Station. Each of the four handicapped units have smoke detectors that are interconnected with the fire alarm system. The handicapped apartments also are equipped with high-intensity strobe lights that flash when the complex's fire alarm system activates. The balance of the living units has smoke alarms that sound only within the dwelling unit. Portable fire extinguishers are located in each apartment and exit corridors.

Fire Drills (34 CFR 668.49(2)(b)(3))

Fire drills are conducted biannually for each building on campus.

Institutional policies on portable electric appliances, smoking, and open flames in student housing, evacuation procedures, and fire safety education (34 CFR 668.49(2)(b)(4-6))

Each resident of any on-campus student housing is given a copy of the “UMB Housing” handbook. The handbook dictates that residents must:

- Only use power strips with a UL seal and that are not frayed or worn.

REPORTING FORM

Clery Incident Report Form: [attached]

Police and Safety

Clery Incident Report Form

This report is to be completed if victim/witness does not wish to report the incident to the University of Maryland Baltimore Police Force.

If the reported incident constitutes a threat to the safety of the UMB community, prior to completing this form, the CSA shall immediately telephone UMBPF at 401-706-6882.

One purpose of Clery is to encourage reporting and collection of accurate campus crime statistics to promote crime awareness and enhance campus safety. This report form provides a uniform method of documenting the What, When, and Where of certain reportable crimes and/or non-criminal, hate-motivated incidents that have occurred and have been reported to Campus Security Authorities (CSA) other than the University of Maryland Baltimore Police Force (UMBPF). Data collected on this form is to be used to increase public safety, not to identify the victim; therefore, personal identifying information is not required.

It is the policy of UMB to encourage victims and/or witnesses to report crimes to the police and/or to a designated CSA. A complete list of CSAs can be found in the [2017 Annual Clery Report PDF](#). For the purposes of Clery, CSAs are required to document certain reportable crimes and non-criminal, hate-motivated incidents that have been reported to them and have occurred in the following locations:

1. On-campus property: Offense statistics for any building or property owned or controlled by the University within the same reasonably contiguous geographic area and used by the University in direct support of, or in a manner related to, the University's educational purpose, including buildings or property the location described herein that is owned by the University but controlled by another person and that is frequently used by students. (Excluding Residential Life buildings).
2. On-campus residential life buildings
3. Non-campus property: Offense statistics for non-campus property or building owned or controlled by the University that is frequently used by students and is not within the same reasonably contiguous geographic area of the institution, or any building/property that is owned or controlled by a student organization that is officially recognized by the institution.
4. Public property: Offense statistics for public property located immediately adjacent to and accessible from campus, including thoroughfares, sidewalks, streets, and lands.

For Clery purposes, the student status of the offender or the victim is not a relevant fact as to whether or not this report form is to be completed. If a violation of one of the 15 violations (see next page) occurs, documentation is required. Clery documentation is not satisfied by simply directing/referring the reporting party to the UMBPF. For UMBPF to satisfy the statistical reporting requirements of the Clery Act, all CSAs are required to complete this form when any of the specified offenses listed is reported to them. In addition, a person reporting a crime also shall be encouraged to report the crime to the UMB Police Force.

NOTE: Certain individuals, specifically pastoral and professional counselors, are exempted from this requirement to report certain crimes; however, to be exempt from disclosing reported offenses, pastoral and professional counselors must be acting in the official role of pastoral or professional counselor.

If the Complainant requests that the Title IX Coordinator keep the matter confidential, the Title IX Coordinator will carefully evaluate that request by balancing the Complainant's wish for privacy against the safety and welfare of the UMB community. Where there is a need to preserve the health and safety of the victim and/or members of the University community, information may be shared on a need-to-know basis. Unless there is an imminent threat to health or safety or basis for disclosure, such as child abuse, confidentiality is offered when individuals seek Title IX support services from the Employee Assistance Program and the Student Counseling Center, or when a report is made through the UMB Ethics Point Hotline.

9. Mandatory Reporting Requirements

- A Responsible Employee who receives a complaint of Prohibited Sex Discrimination shall promptly report the complaint to the Title IX Coordinator. No employee is authorized to investigate or resolve complaints of Prohibited Sex Discrimination without the involvement of the Title IX Coordinator.

UNIVERSITY SYSTEM OF MARYLAND POLICY ON SEXUAL MISCONDUCT

USM VI-1.60 - USM Policy on Sexual Misconduct: [attached]

UNIVERSITY SYSTEM OF MARYLAND

IV-1.60 – UNIVERSITY SYSTEM OF MARYLAND POLICY ON SEXUAL MISCONDUCT (Approved by the Board of Regents, June 27, 2014; Amended June 19, 2015)

PURPOSE & APPLICABILITY

The University System of Maryland (USM) is committed to providing a working and learning environment free from Sexual Misconduct, including sexual and gender-based harassment, sexual violence, dating violence, domestic violence, sexual exploitation, and sexual intimidation. USM prohibits and will not tolerate Sexual Misconduct. Sexual Misconduct is a form of sex discrimination prohibited by state and federal laws, including Title IX of the Education Amendments of 1972 as amended (“Title IX”) and Title VII of the Civil Rights Act of 1964 as amended, and also may constitute criminal activity.

USM endeavors to foster a System-wide climate free from Sexual Misconduct through training, education, prevention programs, and through policies and procedures that promote prompt reporting, prohibit retaliation, and promote timely, fair and impartial investigation and resolution of Sexual Misconduct cases in a manner that eliminates the Sexual Misconduct, prevents its recurrence, and addresses its effects. All students, faculty, and staff of USM institutions (including USM regional centers), as well as the USM Office and third parties and contractors under USM or USM constituent institution control, are subject to this policy regardless of sex, sexual orientation, gender identity and gender expression. This Policy applies to Sexual Misconduct in connection with any USM institution, office or regional center education programs or activities, including Sexual Misconduct: (1) in any USM institution facility or on any USM institution property; (2) in connection with any USM or USM institution sponsored, recognized or approved program, visit or activity, regardless of location; (3) that impedes equal access to any USM institution education program or activity or adversely impacts the employment of a member of the USM community; or (4) that otherwise threatens the health or safety of a member of the USM community. Nothing in this policy is intended to supersede or conflict with any federal compliance obligation.

- d. Identify confidential and non-confidential medical, counseling and advocacy resources on and off campus to assist individuals affected by Sexual Misconduct, including sexual assault centers, victim advocacy offices, women's centers, and health centers;
- e. Identify options and procedures for immediate and ongoing assistance following an incident of Sexual Misconduct, including encouragement to obtain immediate medical help and notify law enforcement as appropriate (especially to receive guidance in the preservation of evidence needed for proof of criminal assaults and the apprehension and prosecution of assailants), institution resources available to help obtain such medical or law enforcement assistance, and available Interim Measures; and
- f. Detail the following:
 - i. Identify who can file a complaint of Sexual Misconduct with the institution (to include students, institution employees, and third parties);
 - ii. Explain how to file a complaint;
 - iii. Identify to whom such complaints should be directed;
 - iv. Describe any institutional policies governing confidentiality;
 - v. Identify the institution's amnesty policy for parties or witnesses who violate drug use, alcohol or other student conduct policies. At a minimum, institutions must have an amnesty policy that prohibits student conduct action (except for a mandatory intervention for substance abuse) for a violation of alcohol or drug use policies by a student who reports Sexual Misconduct to the institution or law enforcement or participates in a Sexual Misconduct matter as a witness, if the institution determines that (1) the violation occurred during or near the time of the alleged Sexual Misconduct; (2) the student made the report of Sexual Misconduct, or is participating in an investigation as a witness, in good faith; and (3) the violation was not an act that was reasonably likely to place the health or safety of another individual at risk;
 - vi. Inform the parties about Interim Measures and how to request them. Each institution must provide notice, in writing, to the parties about options for, and available assistance in, obtaining no contact or protective orders, enforcing existing and lawful no contact or protective orders, and changing academic,

transportation, residential, and working situations, if such an accommodation is reasonably available. The institution also must advise the parties of existing options for counseling, health, mental health, victim advocacy, legal assistance, and other services available on and off campus;

- vii. Explain the parties' options and rights, as well as institution responsibilities, regarding notification of law enforcement and campus authorities, as well as student conduct options;
- viii. Afford an investigative process and adjudicative process that provides the parties equal opportunity to present relevant witnesses and evidence throughout the process, and affords the parties similar and timely access to information to be used during any process;
- ix. Explain that the parties are entitled to the same opportunities to have others present during an institution disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by an adviser of their choice, and explain the scope of any adviser's role or potential involvement;
- x. Specify "preponderance of the evidence" as the standard of review;
- xi. Identify the range of possible employment and student sanctions for those found responsible for Sexual Misconduct, up to and including suspension, dismissal, expulsion and termination of employment;
- xii. Provide an appeal process that is equally available to the parties;
- xiii. Require the institution, after a legal sufficiency review, to inform the parties, concurrently and in writing, as permitted by law, about the outcome of any investigation, adjudication, and appeal conducted under this policy;
- xiv. Designate reasonably prompt timeframes for the major stages of the process, and set forth the procedure for extending such timeframes, to include the timeframes within which (1) the institution will conduct a full investigation, (2) the parties will receive a notice of outcome, and (3) the parties may file an appeal;

- xv. Provide an affirmative statement to the institution community that the institution will take steps to prevent the occurrence of any Sexual Misconduct and remedy its discriminatory effects;
- xvi. Advise the community of institutional programs that endeavor to promote the awareness of Sexual Misconduct and prevent its occurrence; and
- xvii. Advise the community of external options for reporting Sexual Misconduct, including local law enforcement, the Equal Employment Opportunity Commission and the U.S. Department of Education Office for Civil Rights.

3. Prohibited Content

Policies and procedures may not include any of the following content:

- a. Requirement that the parties attempt to resolve any Sexual Misconduct matter informally;
- b. Requirement for or allowance of mediation in Sexual Assault cases;
- c. Allowing a party to personally cross-examine the other party, if an institution allows cross-examination;
- d. Allowing or requiring the institution to wait until a concurrent law enforcement proceeding concludes to begin any Sexual Misconduct investigation, Interim Measures or adjudication;
- e. Allowing questioning or evidence about the complainant's sexual history with anyone other than the respondent during any adjudication proceeding (in a proceeding where such evidence or questioning may be appropriate); and
- f. Discouraging a reporter from notifying local law enforcement of alleged Sexual Misconduct.

III. Clery Act Compliance

In handling Sexual Misconduct reports, each institution remains responsible for complying with the requirements of the Crime Awareness and Campus Security Act of 1990 ("Clery Act") and its amendments. Institutions must comply with Clery Act requirements, including crime recording and reporting requirements, where compliance is not otherwise reached by actions under this policy.

IV. Agreements with Local Law Enforcement & Rape Crisis Programs

Each institution must, at a minimum, pursue formalized agreements with (1) the institution's local law enforcement agency and (2) a State designated rape crisis program and/or federally recognized sexual assault coalition. Agreements with law enforcement agencies must comply with Title IX and clearly state when an institution will refer a matter to a local law enforcement agency. Agreements with rape crisis or sexual assault programs must formalize a commitment to provide trauma-informed services to victims of sexual assault and to improve the institution's overall response to sexual assault.

V. Training

A. Prevention and Awareness Education

Each institution must develop and implement preventive education, directed toward both employees and students, to help reduce the occurrence of Sexual Misconduct. At a minimum, these educational initiatives must contain information regarding what constitutes Sexual Misconduct, definitions of consent and prohibited conduct, the institution's procedures, bystander intervention, risk reduction, and the consequences of engaging in Sexual Misconduct. These educational initiatives shall be for all incoming students and new employees. Each institution also must develop ongoing prevention and awareness campaigns for all students and employees addressing, at a minimum, the same information.

B. Training for Persons Involved in Sexual Misconduct Cases

All persons involved in any way in responding to, investigating, or adjudicating Sexual Misconduct reports, including but not limited to, the Title IX Team, Responsible Employees, law enforcement, pastors, counselors, health professionals, resident advisers, and complainant advocates, must have annual training in receiving, reporting and handling complaints of Sexual Misconduct; must be familiar with the institution's procedures; and must understand the parameters of confidentiality.

On or before June 1, 2016, and at least every two (2) years thereafter, each institution shall submit to MHEC a report in accordance with the requirements set forth in Md. Code Annotated, Education Article, Section 11-601(g).

VII. Record Keeping

Each institution must keep records of Sexual Misconduct matters, including, but not limited to records of any (1) complaints/ reports of Sexual Misconduct; (2) investigation, adjudication and resolution of complaints; (3) training (including, but not limited to, lists of trainees, training dates and content); and (4) related surveys and reports. Records must be maintained in accordance with the institution's Records Retention Schedule.

VIII. Implementation

Each Chief Executive Officer shall promptly communicate this policy and applicable procedures to his/her institutional community after the Board of Regents approves the policy. Each Chief Executive Officer also shall promptly identify his/her Title IX Coordinator and other designee(s), as appropriate for this policy. ADMINISTRATION | Approved August 26, 2015

REVISION HISTORY

Approved by the President August 17, 1993; revised April 9, 1998; revised May 15, 2009, replaced UMB VI-1.20(A) and UMB VI-1.30(A), to comply with USM VI-1.60 (eff. June 27, 2014, revised June 19, 2015) and UMB VI-1.60(A) (eff. Date March 30, 2015); revised August 26, 2015

Policy Statement

1. Purpose

The University of Maryland, Baltimore ("UMB") prohibits sexual misconduct and other sex and gender-based discrimination ("Prohibited Sex Discrimination") against and by employees (faculty or staff) and other persons involved in activities conducted under the auspices of UMB. Employment decisions will not be based on stereotypes and assumptions about abilities, traits, or the performance of individuals on the basis of sex. Furthermore, both intentional discrimination and neutral procedures that disproportionately exclude individuals on the basis of sex that are not job related are prohibited.

Prohibited Sex Discrimination is an infringement of an individual's right to work in an environment free from unwanted sexual attention and sexual pressure of any kind. Prohibited Sex Discrimination can result in a significant human resource drain for UMB, can hinder the service and efforts of faculty, administrators, staff and students, and may violate the law of Maryland and the United States. A UMB faculty or staff employee found responsible for Prohibited Sex Discrimination will be subject to appropriate disciplinary action up to and including discharge.

These Procedures are not limited to UMB employment relationships. Many UMB employees work with, supervise, or are under supervision of, employees of UMB's affiliates and teaching sites (e.g., University of Maryland Medical System, University of Maryland Faculty Physicians, faculty practice professional associations, Veterans' Administration Medical Center). UMB Personnel (defined below) in all UMB activities are entitled to an environment free of Prohibited Sex Discrimination and are prohibited from illegally discriminating against other UMB Personnel and students. These Procedures provide a process for the prompt and equitable investigation and resolution of complaints of Prohibited Sex Discrimination against UMB Personnel. These Procedures are intended to comply with, and will be interpreted under federal and state law and USM and UMB policies prohibiting discrimination based upon sex and gender, including, but not limited to, VI-1.60(A) UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination.

- b. The Title IX Coordinator will review all complaints alleging Prohibited Sex Discrimination to determine if the allegations are subject to these Procedures or are instead allegations subject to other UMB policies and procedures. The Title IX Coordinator in collaboration with the Deputy Title IX Coordinator will ensure that complaints of Prohibited Sex Discrimination are investigated and resolved by the Title IX Coordinator, a Deputy Title IX Coordinator, or a qualified designee, in accordance to these Procedures.
- c. UMB encourages prompt reporting of an allegation of Prohibited Sex Discrimination whenever possible. Reporting an incident close in time to its occurrence will enhance UMB's ability to promptly and effectively investigate complaints, protect employees and students, and educate and discipline offenders. Nevertheless, UMB will investigate any and all complaints filed.
- d. In certain circumstances, Interim Measures may be available while a complaint is being investigated. Requests for Interim Measures should be directed to the Title IX Coordinator. The Title IX Coordinator(s), in coordination with the Deputy Title IX Coordinator(s), will contact appropriate UMB personnel to coordinate and implement appropriate Interim Measures.

4. Complaint Response and Investigation

A Complainant should refer to the procedures below to file a complaint to allow the process to begin as soon as practicable. UMB is committed to working with the Complainant and the Respondent throughout the investigation.

Deviations from these procedures that do not materially prejudice the rights of a participant will not invalidate findings or other actions taken in implementation of this process or other UMB policies.

a. Informal Resolution

Once a complaint of Prohibited Sex Discrimination has been made, the parties may elect to informally resolve the complaint. The Title IX Coordinator, in collaboration with the Deputy Title IX Coordinator, will work with the parties to come to a mutually agreeable resolution. At any point during an informal resolution, the parties may request a formal investigation in accordance with the procedures contained herein. Informal resolution is not available for allegations of Sexual Assault.

b. Investigation

- i. After receiving a complaint and doing a preliminary review, the Title IX Coordinator will determine whether the complaint alleges Prohibited Sex Discrimination and is subject to these Procedures. The Title IX Coordinator will work in coordination with the Deputy Title IX Coordinator, or designee, to ensure that the complaint is promptly investigated and resolved.
- ii. Investigations will be conducted in accordance with the due process requirements of VI-1.60(A) UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination. The Title IX Coordinator will conduct the investigation through or with the Deputy Title IX Coordinator or another designee ("Investigator").
- iii. The Investigator will interview the Respondent, Complainant and other relevant persons regarding their factual knowledge of the circumstances surrounding the complaint. The parties will be given the opportunity to present relevant witnesses and evidence. The Investigator is authorized to require UMB offices to produce relevant documentary evidence (e.g., emails, work records, prior grievances) relevant to the allegation.
- iv. All participants are free to consult personal or legal advisors, at their own expense. Each participant may have one advisor of the participant's choice present in meetings during the investigative process. The advisor is present as a support and may not speak for a participant during meetings. The schedule for the investigation will allow time for the participants to consult with and obtain advice from personal and legal advisors.
- v. Timely access to documents considered relevant to the investigation will be provided to the parties. Particularly sensitive material may be available for inspection only in order to ensure no unauthorized distribution of copies. All material will be considered confidential and shared only with those with a need to know.
- vi. Records of the investigation, including copies of evidence and related communications, are confidential and shall be kept secure in the office of the Title IX Coordinator or a place directed by the Title IX Coordinator.
- vii. The investigation will be completed as expeditiously as possible, generally within a period of sixty (60) calendar days from receipt of the complaint unless circumstances warrant a longer period. If this deadline cannot be met, a request for extension may be made to the Title IX Coordinator which includes a description of the progress to date, and an anticipated schedule for completing the investigation, and all involved persons shall be informed of the time extension.
- viii. Upon timely completion of the investigation conducted in an impartial manner, a draft written Report shall be prepared that summarizes the information gathered and synthesizes the areas of agreement and disagreement between the parties with any supporting information or accounts. Prior to finalizing the Report and before reaching a finding, the Investigator will provide the Complainant and Respondent an opportunity to review the draft Report (absent a finding). The Complainant and Respondent may submit any additional comment or information in writing within five (5) business days of receiving the draft Report. This is the final opportunity for the parties to identify any additional information or witnesses and review their statements for accuracy.
- ix. Once the draft Report is reviewed by the parties and any additional pertinent information is incorporated, or after the five (5) business day comment period has lapsed without comment by either party, the Investigator will finalize the Report and make a finding as to whether there has been a violation of the Policy.
- x. The finding will be based on the Investigator's assessment of the evidence gathered in the course of the investigation, using the preponderance of evidence standard (i.e., whether it is more likely than not that a violation of the Policy has occurred). In reaching this determination, the Investigator will consult with the Title IX Coordinator about the Report and finding. The finding will be added to the final Report.
- xi. After the final Report has been approved by the Title IX Coordinator, it will be directed to the appropriate UMB dean, vice president, unit head, or designee. The Report will also be given promptly and concurrently to the Complainant and the Respondent. The Report shall notify the parties of their rights of appeal.

c. Appeal

If the Complainant or Respondent wishes to appeal the finding, the Complainant or Respondent must submit their written appeal to the appropriate dean, vice president, unit head, or designee detailing the basis for the appeal within five (5) business days of receiving the final Report. Appeals submitted after five (5) business days may be denied.

Appeals must be based upon either (1) procedural error, (2) production of previously unavailable relevant evidence that could significantly impact the outcome of the case, or (3) a violation of substantive due process (e.g., the decision was based upon an illegal or constitutionally impermissible consideration such as a party's gender, race, age, national origin, sexual orientation, or exercise of First Amendment rights).

Appeals are not intended to allow for a new investigation of the matter. Instead, the review will be narrowly tailored to the specific grounds requested for in the appeal. In most cases, appeals are confined to a review of the written record and the pertinent documentation.

Upon receipt and prompt review of the Report and any written appeals, the UMB dean, vice president, unit head or designee may (a) affirm the finding; (b) alter the finding; or (c) return the matter to the Title IX Coordinator with instructions to cure a procedural or substantive error or to assess the weight and impact of newly discovered evidence. In the event that a matter is returned to the Title IX Coordinator under this section, the investigative steps set forth in Section IV.B(8) - (11) of these Procedures shall apply.

d. Final Outcome Notice

At the conclusion of the investigative and appellate process after the finding has become final, the Title IX Coordinator, or designee, shall issue a Final Outcome Notice to both parties separately and concurrently, in writing, and in person, when possible. Issuance of the Notice completes the investigation and adjudication under these Procedures.

5. Sanctions or Remedial Action

Discipline or sanctions may be imposed if the Final Outcome Notice reflects a violation of the Policy. Additional administrative or remedial measures, including environmental changes and educational programming, may be required where, in consultation with the Title IX Coordinator, the UMB dean, vice president, unit head, or designee determines that these measures will improve compliance with and understanding of the Policy.

If there is an allegation of Sexual Violence, the Complainant will receive notice of the final results of any disciplinary proceeding.

6. Grievance Rights

UMB Personnel may grieve disciplinary actions depending on the rights afforded to them based on their employee status and the applicable USM or UMB Appointment, Rank and Tenure Policies, other faculty policies, applicable collective bargaining agreements, or other procedures under state law or USM or UMB policy.

Employees may not grieve administrative and/or other remedies that do not constitute formal disciplinary action.

7. Complaints Involving UMB Affiliates and Third Parties Not Affiliated with UMB

UMB's affiliates will be informed of UMB's commitment to provide UMB Personnel and others with a workplace free of Prohibited Sex Discrimination and will be asked to work with UMB in confidence to investigate complaints and eliminate Prohibited Sex Discrimination through education and, if need be, employee sanctions.

UMB affiliates and affiliates' employees are encouraged to report complaints of Prohibited Sex Discrimination involving UMB Personnel to the Title IX Coordinator. UMB cannot discipline employees of its affiliates, but UMB will cooperate with its affiliates to resolve such complaints and take reasonable steps to prevent Prohibited Sex Discrimination that may be directed toward the Complainant and others. UMB will attempt to resolve the issue, as soon as practicable, and may reassign the Complainant to another area or supervisor, if a resolution is not feasible. If necessary, UMB may also work with the affiliate to co-investigate the complaint under the affiliate's process. UMB Personnel are subject to discipline for Prohibited Sex Discrimination directed toward employees and others in the affiliate's workplace.

Failure to file a complaint with one's own employer may jeopardize legal remedies. Therefore, employees of affiliates should be aware that their complaints involving UMB Personnel should be filed with their own employer as well as with UMB. Likewise, UMB Personnel should file complaints involving affiliates' employees with UMB as well as with the affiliate.

Any UMB Personnel who believe they have been subjected to Prohibited Sex Discrimination by a third party not affiliated with UMB, should report a complaint to the Title IX Coordinator. After discussion with the Complainant and a review of the circumstances, UMB will take reasonable steps to prevent Prohibited Sex Discrimination that may be directed toward the Complainant and others, which may include requesting from the UMB President's Office a formal letter to the third party denying access to UMB buildings or grounds for acting in a manner that disrupts or disturbs the normal operational or educational functions of UMB. The UMB President is authorized by State law to deny campus access to a third party engaged in disruptive behaviors (see Sections 26-101 and 26-102, Education Article, Annotated Code of Maryland).

8. External Complaints

UMB Personnel have the right to file complaints of Prohibited Sex Discrimination with external government agencies. UMB investigations may offer the potential of more timely resolutions of complaints. Complaints of employees may be directed to the following agencies:

Office of the Statewide EEO Coordinator (OSEEOC), Maryland State Department of Budget and Management, 301 West Preston Street, Room 607, Baltimore, MD 21201, (410)767-3800

Maryland Commission on Civil Rights (MCCR), 6 Saint Paul Street, Suite 900, Baltimore, MD 21202, (800) 637-6247

Equal Employment Opportunity Commission (EEOC), 10 South Howard Street, 3rd Floor, Baltimore, MD 21201, (800) 669-4000

To protect legal rights and remedies, certain time deadlines must be met in connection with external filings. Failure to meet these deadlines can result in a loss of all rights to seek a legal remedy for one's complaint.

9. Counseling

The Employee Assistance Program or personal counselors can be useful in helping employees cope with the stress resulting from experiencing Prohibited Sex Discrimination or participating in an investigation of a complaint of Prohibited Sex Discrimination. Please call (667)214-1555 for information about employee counseling services. More information can also be found at www.umb-eap.org. For more information, see [VI-1.60\(A\) UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination](#).

10. Educational Programs and Consultations

Through the Office of Human Resource Services, educational programs and preventive consultations with employees can be arranged. Contact the EEO Manager at 410-706-7302. In addition, detailed information regarding required educational programs and other trainings related to Prohibited Sex Discrimination can be found at the Office of Accountability and Compliance website: www.umaryland.edu/titleix/training. REVISION HISTORY

Approved by the President August 17, 1993; revised April 9, 1998; revised May 15, 2009, replaced UMB VI-1.20(A) and UMB VI-1.30(A), to comply with USM VI-1.60 (eff. June 27, 2014, revised June 19, 2015) and UMB VI-1.60(A) (eff. Date March 30, 2015); revised August 26, 2015

Policy Statement

1. Purpose

The University of Maryland, Baltimore ("UMB") prohibits sexual misconduct and other sex and gender-based discrimination ("Prohibited Sex Discrimination") against or by a UMB Student (defined below). Education and academic decisions will not be based on stereotypes and assumptions about abilities, traits, or the performance of individuals on the basis of sex. Furthermore, both intentional discrimination and neutral procedures that disproportionately exclude individuals on the basis of sex that are not educationally or academically related are prohibited. Prohibited Sex Discrimination is an infringement of an individual's right to equal opportunity in education in an environment free from unwanted sexual attention and sexual pressure of any kind. Any UMB Student found responsible for Prohibited Sex Discrimination will be subject to appropriate disciplinary action up to and including dismissal. Sexual Misconduct is a form of sex discrimination prohibited by Title IX and may also constitute criminal activity.

These Procedures provide a process for the prompt and equitable investigation and resolution of student complaints of Prohibited Sex Discrimination. These Procedures are intended to comply with, and will be interpreted and applied to comply with UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination, [USM Board of Regents' Policy on Sexual Misconduct, VI-1.60\(A\) PDF](#) [PDF](#), and other state and federal laws.

UMB's Title IX investigation is performed under the authority of the University's Title IX Coordinator. It is an administrative investigation to determine denial of equal opportunity in education based on sex. It is not a substitute for civil or criminal charges or for any other administrative or legal process either party may wish to pursue.

Scope

This procedure does not supersede policies and procedures addressing issues specifically governed by other University policies, such as: school grade appeals and school dismissal appeals, disability and reasonable accommodation complaints. UMB Students are expected to present such complaints in accordance with the applicable policy and procedure of the school and/or the University.

- b. A student with questions about Prohibited Sex Discrimination should report to the Title IX Coordinator. UMB recognizes that a student who is under the influence of alcohol and/or drugs at the time of an incident may be hesitant to make a report of Prohibited Sex Discrimination because of the threat of disciplinary sanctions for their own violation of campus alcohol or drug use policies, including but not limited to, [VI - 8.00\(A\) UMB Policy on the Use of Alcoholic Beverages at University System Institutions And Facilities](#), and [VII-110\(A\) UMB Substance Abuse Policy](#). In this context, a student who reports Prohibited Sex Discrimination, either as a Complainant or third party witness, will not face disciplinary charges for a violation of alcohol or drug use policies (except for a mandatory intervention for substance abuse), if the University determines that (1) the violation occurred during or near the time of the alleged Prohibited Sex Discrimination; (2) the student made the report of Prohibited Sex Discrimination, or is participating in an investigation as a witness, in good faith; and (3) the violation was not an act that was reasonably likely to place the health or safety of another individual at risk.
- c. The University may not attempt to resolve a complaint of Prohibited Sex Discrimination informally such as through a conference with the parties or mediation.
- d. Before an investigation begins, the Title IX Coordinator will ask the Complainant for an oral or written report of the incident underlying the complaint. The student may also provide pertinent records and documentation. Information that may be helpful to an inquiry and resolution of the complaint includes:
- Date, Time, Name, E-mail, Address and Phone Number of the Complainant's School or unit with which Complainant is associated
 - Complainant's title or program/year of study
 - Complainant's role in the incident, e.g., target of alleged Prohibited Sex Discrimination, witness, friend
 - Name of the Respondent
 - School or unit with which Respondent is associated
 - Respondent's title or program/year of study
 - Relationship between the Respondent and the Complainant
 - Address where the alleged Prohibited Sex Discrimination occurred
 - Date and time when the alleged Prohibited Sex Discrimination occurred
 - A description of the alleged Prohibited Sex Discrimination, e.g., sexually degrading comments or gestures, inappropriate touching; sexual contact without consent, including sexual intercourse
 - Other circumstances which contributed to the incident, e.g., physical disability, alcohol use
 - Other incidents that may constitute Prohibited Sex Discrimination by the Respondent, if any
 - Other(s) involved in the incident as possible Complainant(s), witness(es) or additional Respondent(s)
 - What action by the University does the Complainant seek in response to the conduct
 - Has the Complainant made a report to others, e.g., local or Campus Police, BETA Team, faculty, students, others
 - Has the Complainant requested partial or complete confidentiality
- e. The University must make a prompt, thorough and impartial inquiry, regardless of whether or not the Complainant has already reported the matter to the police, or makes a formal report to the campus Title IX Coordinator, desires an inquiry, or requests that no inquiry be made.
- f. A request for confidentiality may limit the University's ability to respond to the complaint. The University will take reasonable steps to investigate and respond to the complaint consistent with the Complainant's requests, as long as doing so does not prevent the University from responding effectively to and preventing Prohibited Sex Discrimination that may be directed toward others.
- g. UMB encourages prompt reporting of an allegation of Prohibited Sex Discrimination whenever possible. Reporting an incident close in time to its occurrence will enhance UMB's ability to promptly and effectively investigate complaints, protect employees and students, and educate and discipline offenders. Nevertheless, UMB will investigate any and all complaints filed.
- h. Requests for Interim Measures while a complaint is being investigated should be directed to the Title IX Coordinator. The Title IX Coordinator, in coordination with the Deputy Title IX Coordinator as appropriate, will contact necessary UMB personnel to coordinate and implement appropriate Interim Measures (e.g. a dean of the Complainant's school may be notified in confidence, and regarding reassigning a class assignment, rescheduling due dates of assignments or exams, allowing distance learning in lieu of class attendance where available, facilitating change of class section, changing schedules, authorizing leave to attend counseling and healthcare appointments, referrals to campus police escort, etc.).
- i. The University will comply with law enforcement requests for cooperation and such cooperation may require the University to temporarily suspend the fact-finding aspect of the complaint of Prohibited Sex Discrimination while law enforcement is in the process of gathering evidence. The University will promptly resume its investigating of the complaint of Prohibited Sex Discrimination as soon as notified by law enforcement that it has completed the evidence gathering process, which may delay the University's investigation by ten (10) calendar days or longer depending on the circumstances. While law enforcement evidence gathering is conducted, the Title IX Coordinator will issue a reminder to persons involved about the importance of complying with the investigation process; the presumption of innocence of the parties; the need to consult with the Title IX Coordinator before taking Interim Protective Measures; the prohibition against Retaliation; and the obligation to treat the matter in strict confidence for the protection of both the Complainant and the Respondent. The University will implement appropriate Interim Protective Measures during the law enforcement evidence gathering period to provide for the safety of the Complainant and the campus community and the avoidance of Retaliation.
- 4. Preliminary Review of the Complaint**
- a. If it is not apparent from the content of an allegation whether or not it relates to Prohibited Sex Discrimination, or if it warrants initiation of an investigation, the Title IX Coordinator may conduct a Preliminary Review. The Title IX Coordinator will determine whether to conduct a Preliminary Review or proceed directly to an investigation within ten (10) working days after receiving an allegation, when feasible. During this 10-day period, the Title IX Coordinator, or a person designated by the Title IX Coordinator, and the Deputy Title IX Coordinator/EEO/AA Director (when an employee is a Respondent, witness or other key participant) may gather additional information from the Complainant (if known) and others allegedly subject to the Prohibited Sex Discrimination.
- b. If a Preliminary Review is undertaken, it shall be concluded within thirty (30) calendar days after it is commenced unless extended for good cause. In the Preliminary Review, the Title IX Coordinator, or a person designated by the Title IX Coordinator, will notify and interview the Complainant (if known) and the Respondent (if known). Complainant and Respondent will be offered an equal opportunity to participate in the Preliminary Review. A written summary should be made of the information gathered. Notice of the outcome of the Preliminary Review will be provided to the parties.
- c. Based on the result of the Preliminary Review, the Title IX Coordinator will decide either to (1) proceed with an investigation, or (2) conclude the complaint process under these Procedures. The Title IX Coordinator may conclude the complaint process due to (a) insufficient evidence to support a finding of Prohibited Sex Discrimination by a preponderance of the evidence; or (b) finding the complaint involves matters which are beyond the scope of applicable University policies related to Prohibited Sex Discrimination.
- d. In the event the Title IX Coordinator decides to conclude the complaint process after the Preliminary Review, and without referral to any other due process for further action, either party may appeal for reconsideration by writing to the Title IX Coordinator who will issue a written response. The written appeal for reconsideration must be submitted within seven (7) calendar days following notice of the Title IX Coordinator's decision.
- e. Documentation of the Preliminary Review and the reasons for the decision of the Title IX Coordinator will be kept for at least 3 years following conclusion of the matter.
- f. At any time, the Title IX Coordinator may implement, or recommend to appropriate University administrators, Interim Protective Measures to protect the parties involved and prevent further Prohibited Sex Discrimination.
- 5. Complaint Investigation**
- a. Investigations will be conducted in accordance with the due process requirements of [VI-1.60\(A\) UMB Policy Prohibiting Sexual Misconduct and Sex and Gender-Based Discrimination](#).
- b. UMB is committed to working with the Complainant and the Respondent throughout the investigation. Good faith errors that do not materially prejudice the rights of a participant will not invalidate findings or other actions taken in implementation of this process. Upon deciding to proceed with an investigation, the Title IX Coordinator shall appoint an investigative team as expeditiously as possible, but in all cases within thirty (30) calendar days following the determination to proceed.
- c. The investigative team will develop an appropriate investigational plan depending on the circumstances surrounding the complaint class (e.g., familiarity with location, unit, school, and curriculum). If a complaint involves persons from more than one school or operational unit of the University, the investigative team may consult appropriate University administrators about the investigational plan.
- d. The Title IX Coordinator will provide the Complainant, Respondent, University administrators who have authority over the Complainant or Respondent (e.g., a Dean or Vice President), and persons whose decisions or actions are the subject of the complaint with notice of the investigation, a copy of these Procedures, and information about the appointment of the investigative team. In so doing, the Title IX Coordinator will also issue a reminder about the importance of complying with the investigation process; the presumption of innocence of the parties; the need to consult with the Title IX Coordinator before taking Interim Protective Measures; the prohibition against Retaliation; and the obligation to treat the matter in strict confidence for the protection of both the Complainant and the Respondent.
- e. In cases where a University administrator has authority over the Complainant or Respondent (e.g., a Dean or Vice President) or has a conflict of interest, the Title IX Coordinator may select an alternative to assume the role of University administrator for the purposes of these Procedures. This is to ensure that each step of the investigation and appeal involving a determination by the University administrator will be conducted in an impartial manner by an impartial decision-maker.
- f. The Complainant and Respondent will each have an opportunity to meet separately with the investigative team to discuss the complaint and the investigative process, and to submit written statements, names of witnesses and other evidence.
- g. Where the Complainant seeks confidentiality, the investigative team will attempt to maintain that confidentiality to the degree compatible with accomplishing the fact-finding purpose of the investigation and as long as doing so does not prevent the University from responding effectively to and preventing Prohibited Sex Discrimination.
- h. The investigative team will investigate the complaint, interview the parties and witnesses, review evidence, look at the record as a whole and at the totality of the circumstances.

- i. The investigative team will complete its investigation as expeditiously as possible. An investigation must be completed within sixty (60) calendar days of its initiation unless circumstances clearly warrant a longer period. If this deadline cannot be met, a request for extension which includes a report of reasons for the request, a description of the progress to date and an anticipated schedule for completing the investigation shall be filed with the Title IX Coordinator, and all involved persons shall be informed of the time extension by the Title IX Coordinator.
- j. The investigative team will prepare a report summarizing the administrative process including what evidence was reviewed, names of persons interviewed, summary of interviews, discussion of the evidence, and findings, conclusions and recommendations for sanctions and remedial action, as permitted by applicable law. The investigative team will use a "preponderance of the evidence" standard. Preponderance of the evidence means that the information and facts establish it is "more likely than not" that the alleged Prohibited Sex Discrimination occurred, as defined in relevant Policy.
- k. The Respondent, the Complainant and persons whose decisions or actions are the subject of the complaint will be given a copy of the investigative report and will have fifteen (15) calendar days to comment in writing on the report. Comments shall be made part of the record.
- l. Persons involved in the investigation will be expected to cooperate and provide information, records, and other pertinent data at least to the extent such cooperation is required by applicable school policy (including codes of conduct) and University policy.
- m. All participants are free to consult personal or legal advisors, each at their own expense. Each participant may have one advisor of the participant's choice present in meetings with the investigative team or with the Title IX Coordinator. The advisor is present as a support and may not speak for a participant during meetings. The schedule for the investigation will allow time for the participants to consult with and obtain advice from personal and legal advisors.
- n. Timely access to documents considered relevant to the investigation will be provided to the Complainant and the Respondent and persons whose decisions or actions are the subject of the complaint. Particularly sensitive material may be available for inspection only in order to ensure no unauthorized distribution of copies. All material will be considered confidential and shared only with those with a need to know.
- o. Records of the investigation, including copies of evidence and related communications, are confidential and shall be kept secure in the office of the Title IX Coordinator or a place directed by the Title IX Coordinator.
- p. The investigative team's report and any written comments received on the report will be submitted to the Title IX Coordinator. The Title IX Coordinator may consult with deans, vice presidents and other administrators in charge of the schools or units involved. After reviewing the report, the Title IX Coordinator may accept it as final or may return the report to the investigative team for further investigation or clarification.
- q. The Title IX Coordinator will mark the report "Confidential" and deliver it to the Complainant, Respondent and any University administrator in charge of the school or administrative unit of the Respondent and the Complainant (e.g., Dean/Vice President). This shall be done within 10 business days unless good cause can be shown for any delay.
- r. The University administrator(s) in charge of the school or administrative unit of the Respondent and of the Complainant (e.g., Dean/Vice President) cannot change the findings or conclusions but will make the final decision about sanctions and remedial action to be taken by the school or administrative unit, and implement the decision. The University administrator will inform the Title IX Coordinator of the outcome.
- s. Proven Prohibited Sex Discrimination will result in remedial and disciplinary action which may include suspension, expulsion or dismissal. The University will take steps to prevent the recurrence of Prohibited Sex Discrimination considering a range of remedial and disciplinary sanctions, including but not limited to a requirement not to repeat or continue the discriminatory, harassing, or retaliatory conduct or a requirement to undergo training. The University will take steps to correct discriminatory effects of Prohibited Sex Discrimination on the parties and others, as appropriate and feasible.
- 6. Notice of Outcome and Sanctions**
- a. The Title IX Coordinator will inform the Complainant and the Respondent of the University administrator(s)' decision and advise them of their appeal rights.
- b. The Complainant and the Respondent each may appeal for reconsideration of a University administrator's decision to which they are subject, on the basis of: (1) failure of due process, or (2) availability of new evidence which could not reasonably have been presented during the original investigation. The appeal for reconsideration must be submitted in writing to the University administrator (with notice to the Title IX Coordinator) within seven (7) calendar days following the date of the notice of the University administrator's decision.
- c. The University administrator in consultation with the Title IX Coordinator will consider the documents submitted on appeal and issue a final determination or other appropriate action regarding sanctions and remedial action within ten (10) business days.
- d. The Title IX Coordinator will ensure that the Complainant and Respondent have been informed of the University administrator's final decision about sanction and remediation.
- e. The Title IX Coordinator will maintain records regarding Prohibited Sex Discrimination complaint investigations for at least three years.
- f. To ensure appropriate due process and prompt, equitable resolution of complaints, formal rules of evidence will not apply and the investigative team and Title IX Coordinator may limit repetitive and irrelevant evidence.
- 7. Complaints Involving UMB Affiliates and Third Parties Not Affiliated with UMB**
- Many UMB Students will be supervised by employees of University affiliates and teaching sites during their educational experiences and may have interactions with other third parties while participating in a program at the University. If a student is aggrieved by Prohibited Sex Discrimination from a third party, the behavior may affect the student's equal opportunity in education at the University. Such complaints should be reported to the Title IX Coordinator as described in these Procedures. The University will attempt to resolve the situation and take reasonable steps to prevent Prohibited Sex Discrimination that may be directed toward the Complainant and others. The University will attempt to reassign the student to a different preceptor or teaching site if a prompt resolution of a complaint involving an affiliate is not feasible. See [VI -1.60\(B\) UMB Procedures for Adjudicating Complaints Against UMB Personnel of Sexual Misconduct and Sex and Gender-Based Discrimination](#).
- UMB's affiliates will be informed of UMB's commitment to provide an educational environment free of Prohibited Sex Discrimination and affiliates will be asked to cooperate with UMB in confidence to investigate complaints and eliminate Prohibited Sex Discrimination.
- A UMB Student, who believes that, in the course their equal opportunity to academics and education, at the UMB campus, under the auspices of UMB, or using UMB resources, has been subjected to Prohibited Sex Discrimination by a third party not affiliated with UMB, should report a complaint to the Title IX Coordinator. After discussion with the Complainant and a review of the circumstances, UMB will take steps that are reasonable and feasible to prevent Prohibited Sex Discrimination that may be directed toward the Complainant and others. This may include requesting from the UMB President's Office a formal letter to a third party denying access to UMB buildings or grounds based on behavior which disrupts or disturbs the normal operational or educational functions of the institution. The UMB President is authorized to deny campus access to a third party engaged in behaviors under Maryland State law (see Sections 26-101 and 26-102, Education Article, Annotated Code of Maryland). See also [VI -1.60\(B\) UMB Procedures for Adjudicating Complaints Against UMB Personnel of Sexual Misconduct and Sex and Gender-Based Discrimination](#).
- 8. External Complaints**
- UMB Students have the right to file complaints of Prohibited Sex Discrimination with an external government agency if UMB resolution of a complaint is unsatisfactory or if it is preferred to file externally in the first instance. UMB investigations may offer the potential of more timely resolutions of complaints. Complaints of UMB Students may be directed to the following:
- Office for Civil Rights
U.S. Department of Education
The Wanamaker Building, Suite 515
100 Penn Square East
Philadelphia, PA 19107
Phone: 1-800-421-3481
215-656-8541
Email: OCR.Philadelphia@ed.gov
- 9. UMB Mandatory Reporting Requirements**
- If a UMB administrator, faculty or staff member receives an oral or written complaint of Prohibited Sex Discrimination involving UMB faculty, staff, student or a UMB affiliate, that person has an affirmative responsibility to promptly inform the Title IX Coordinator. The Title IX Coordinator will respond to the report in accordance to UMB policies and procedures related to Prohibited Sex Discrimination.
- The Title IX Coordinator is responsible for ensuring that crimes reportable under the Clery Act (20 U.S.C. §1092(f)) are timely reported to the UMB Campus Police. An optional form for making the report can be found at: <https://www.umaryland.edu/publicsafety/>
- Data collected for Clery Act reporting is to be used to increase public safety, not to identify the victim; therefore, personal identifying information is not required.
- 10. Campus and Other Resources**
- For health emergencies, call 911 or go to the nearest emergency room.**
- The Title IX Coordinator working in coordination with the appropriate Deputy Title IX Coordinators can facilitate contacting appropriate medical personnel as soon as possible following the incident to obtain attention and guidance in the preservation of evidence needed for proof of criminal assault and the apprehension and prosecution of assailants.

(Approved by the Board of Regents, January 2, 1989; Amended October 9, 2015)

I. PURPOSE

This policy is intended to affirm the University of System of Maryland (USM) commitment to maintain a safe and healthy drug and alcohol-free workplace for all employees, students and visitors, and to minimize the risk that illegal drugs and controlled substances pose to USM institutions.

II. POLICY

- A. The USM is committed to maintaining a drug and alcohol-free workplace that is compliant with applicable federal and state laws. The following are prohibited activities under this policy on all premises owned, operated or controlled by the USM and its institutions:
1. the unlawful possession, use, distribution, dispensation, sale or manufacture of illegal controlled substances by covered employees;
 2. the use by covered employees of any prescription drug in a manner inconsistent with its medically prescribed, intended use, or under circumstances where such use is not permitted;
 3. reporting to work or working under the influence of drugs or alcohol by covered employees; and,
 4. hiring anyone who is known to currently abuse drugs or alcohol who is not actively engaged in a bona fide drug or alcohol abuse assistance or rehabilitation program.
- B. As a condition of USM employment, all employees must abide by the terms of this policy. Employees found to be in violation of this policy are engaged in serious misconduct and may be subject to appropriate disciplinary action applicable in their institution, and/or required to participate in appropriate drug and/or alcohol abuse rehabilitation programs.

- B. Employees working on a federal grant or contract must notify their supervisor or Department head of any criminal drug convictions in the workplace no later than 5 days after such conviction. Within 10 days of the reported conviction, the Institution must provide written notice to any federal sponsor of grants or contracts on which the convicted employee was working.
- C. To the extent that federal or state law standards are more stringent than the requirements of this policy, the applicable federal or state standards shall apply.

IV. GENERAL

An institution may make successful completion of a rehabilitation program a condition of continued employment for the employee.
- C. Employees for whom successful completion of a rehabilitation program is a condition of continued employment shall provide documentation of successful completion of a program designated by the institution.
- D. All records related to an employee's substance abuse are confidential and shall be kept by the appropriate administrator of the EAP or other designated institutional official. Such records shall not be included in the employee's personnel file. However, personnel files may contain non-medical records related to disciplinary actions taken as a result of violation of this policy.

USM Bylaws, Policies and Procedures of the Board of Regents

- E. Institutions may designate certain positions as “sensitive”. Each institution shall develop procedures on pre-employment and random drug testing for those positions determined to be sensitive. UMB POLICY ON SUBSTANCE ABUSE

B. Section VII - 1.10(A) - UMB Substance Abuse Policy [attached]

Policies and Procedures

Human Resources Policies

VII-1.10(A)

UMB SUBSTANCE ABUSE POLICY

HUMAN RESOURCES | Approved August 1, 1990

RESPONSIBLE VP/AVP

[Roger J. Ward, EdD, JD, MPA](#)

Purpose

The UMB Substance Abuse Policy is designed to: (1) observe state executive orders and State and Federal laws; (2) promote a campus free of illegal drug use; (3) stress moderation, safety, and individual accountability by those who choose to drink alcohol; (4) provide a campus atmosphere free of coercion for those who choose not to drink alcohol; (5) maintain a community where the effects of abuse are minimal and where problem behavior is reduced; (6) provide information and education on the health risks associated with drug and alcohol abuse; and (7) provide confidential and effective guidance and counseling for those with special needs related to substance abuse.

BACKGROUND: Substance abuse is a serious national crisis which has had a detrimental effect on the lives of many of our citizens, and has exerted a negative effect on the operation of academic institutions. Every university experiences a loss of productivity due to drug and alcohol related absenteeism, injuries on the job, decreased work quality and wasted dollars. Substance abusing employees and students function below established standards, may make impaired decisions, may have negative effects on their co-workers and peers, and are not as alert as non-using employees and students. The illegal use of the University campus as a marketplace for drugs endangers the health, safety and welfare of all individuals associated with the campus. Every university must maintain an environment which eliminates this waste and supports the health, well-being and productivity of all its employees and students as they carry out their responsibilities. A campus free of substance abuse is fundamental to promote efficient, effective and responsive education, research and service.

HEALTH RISKS: Substance abuse is recognized as the number one public health problem in the United States. Approximately 30% of all admissions to general hospitals and 50% to psychiatric hospitals have detectable substance abuse. Substance abuse accounts for approximately 150,000 deaths annually. This includes deaths from stroke, disease of the heart and liver, and all alcohol and drug related suicides, homicides and accidents. Early detection can minimize or prevent the devastating consequences of substance abuse.

Policy Statement

The unlawful manufacture, distribution, dispensing, possession or use of drugs is prohibited at UMB.

B. Alcohol may only be used legally and responsibly on campus or in any location while the employee or student is on official UMB business. Organizers of any on-campus functions where alcohol is served must present a plan to the administration responsible for that particular area (i.e. Dean's Office if the function is in a School, Office of Campus Life if the function is held in the Student Union).

C. All employees and students must report to work, on all premises owned, operated, or controlled by the USM and its institutions in a fit condition to perform. Reporting to work or working while impaired by drugs or alcohol is a violation of this policy and shall subject the employee or student to the appropriate disciplinary or rehabilitative action.

D. As a condition of employment every employee must abide by the terms of this policy and notify his/her supervisor of any criminal drug conviction.

1. Such notice should be given no later than five days after such conviction.

2. For all employees working on a Federal Grant:

a. Within ten days of receiving notification of a criminal drug statute conviction which occurred in the workplace, UMB will report the conviction to the granting agency.

E. As a condition of enrollment every student must abide by the terms of this policy and notify his/her Dean's office of any drug or alcohol related conviction.

1. Such notice should be given no later than five days after such conviction.

F. UMB will take either or both of the following actions after receiving notice of a conviction.

1. Require the convicted employee to participate in a substance abuse assistance or rehabilitation program, and/or,

2. Subject the convicted employee to the appropriate disciplinary action, up to, and including, termination or expulsion.

G. UMB will impose disciplinary sanctions on employees and, if appropriate, referral for prosecution for violations of the standards of conduct required by paragraphs A. - D. of this policy. The sanctions not listed in any order, may be progressive or consistent with the nature of the violation and include, but are not limited to:

1. Employees - Counseling, Reprimand, Suspension, Demotion, Denial of Pay Increment, Denial of Promotion, Unsatisfactory Performance Evaluation, Reassignment, Termination; and/or Employee Assistance Program (EAP) Referral, Completion of an appropriate Rehabilitation Program.

H. UMB will establish alcohol and drug abuse awareness programs to inform employees and students about:

1. The dangers of drug and alcohol abuse on the campus;

2. UMB's policy of maintaining a campus free of drug and alcohol abuse;

3. Any available counseling, rehabilitation, and employee assistance programs; and

4. The penalties that may be imposed upon employees or students for drug and/or alcohol abuse violations occurring on the campus.

I. UMB will give each employee and student a copy of this policy. A biennial review will be conducted to determine the program's effectiveness and the consistent imposition of sanctions.

LEGAL SANCTIONS: Students and employees at the University of Maryland, Baltimore are subject to federal, state, and local laws for the possession and distribution of illegal drugs.

Federal law 21 USCA, sections 841 and 844 to 845a (1990), states that it is unlawful to possess any controlled substance, including marijuana, cocaine, or heroin, for any illegal purpose. If the substance is cocaine, or contains a cocaine base, the penalty for simple possession is a fine and/or imprisonment from 5 to 20 years. For other illegal drugs, the penalty for simple possession is a fine of at least \$1000 and/or imprisonment for up to 3 years. The penalties increase if the possession includes intent to manufacture, distribute, or dispense a controlled substance, especially if done so near a public or private elementary, vocational, or secondary school, or a public or private college or university. Additionally, any person who violates this law shall also be liable to the U.S. for any amount up to \$10,000 in civil penalties.

In addition to the federal laws, the State of Maryland has its own laws dealing with distribution, manufacturing, and possession or controlled substances.

M. Violence: Any intentional or reckless act that causes (1) pain or injury to another person; or (2) damage to property

III. Warning Signs [that may precede or be indicative of violent behavior]

A. University Associates are encouraged to be alert to Warning Signs below and to report Warning Signs exhibited by another University Associate to appropriate School/Department administrators and/or UMB offices trained in evaluating such behavior. University Associates, regardless of their professional training and experience, are encouraged *not* to attempt to evaluate and respond to Warning Signs without seeking assistance from UMB resources.

B. Unfortunately, there is no proven method of predicting when someone may become violent. It is important to keep this in mind when attempts are made to identify Warning Signs. It is particularly important to consider the context of things considered to be Warning Signs. For example, voice tone, level of familiarity with the person making troubling statements, and the presence of other Warning Signs should all be considered. Below are some indicators that warrant closer attention and may warrant intervention and/or reporting.

1. Making threats of suicide or statements about hurting one's self. Threats might be direct, or indirect (for example, hints).
2. Making implied threats of Violence.
3. Expressing fascination with firearms, other weapons, or bombs, or asserting ownership of firearms, other weapons, or bombs, or the materials to manufacture them.
4. Expressing fascination with weaponization of chemical or biological materials, or asserting the ability to produce such weapons.
5. Having a known history of Violence.
6. Preoccupation with computer games, movies, television, music, and/or stories about Violence.
7. Identification with criminal or terrorist individuals, acts and/or philosophy.
8. Making frequent or recurrent suggestions that incidents of publicized Violence may be repeated at UMB.
9. Maintaining a preoccupation with incidents of publicized Violence (for example, collecting articles and photos, showing fascination with perpetrators of Violence).
10. Intimidating others; acting with belligerence or defiance toward others; frequently becoming confrontational.
11. Crossing professional and personal boundaries (for example, excessive phone calls, text messages, or e-mails; excessive impromptu visits; giving gifts inappropriately).
12. Being easily provoked; showing sudden or erratic agitation with others.
13. Blaming others for anything that goes wrong; failure to acknowledge any personal responsibility for disappointments or difficulties.
14. Showing recent, marked academic (or job) performance decline.
15. Demonstrating notable changes in personality, mood or behavior.
16. Giving away personal possessions.
17. Showing notable decline in personal hygiene and personal appearance.
18. Abusing alcohol or other drugs, particularly marked increase in substance abuse.
19. Behavior reflecting social isolation/alienation.

C. In addition, listed below are some situational contexts that would not be considered Warning Signs in and of themselves. Knowledge of such contexts may influence judgment about the level of risk indicated by Warning Signs. Knowledge of some of these contexts may indicate that more proactive efforts are needed to increase support in an effort to prevent Violence against one's self or others.

1. Anticipation of severe consequences, such as failing out of school or being expelled due to serious conduct code violations (especially if shame or embarrassment is heightened due to situational and/or cultural factors).
2. Lack of support regarding a history of actual or perceived victimization (discrimination, bullying, or other forms of oppression around race, nationality, religion, sexual orientation, gender identity or expression, physical characteristics, mental functioning, disability, etc.).
3. Severe stressors in personal life (for example, financial, health, family or marital problems).

D. Each School will provide its students with instructions concerning a School contact who can assist a student in reporting Warning Signs exhibited by a fellow student.

IV. Policy

A. University Associates must feel secure at the Campus and in Off-campus Sites in order to focus on their studies, research, duties, and responsibilities. Threatening, Aggressive or Violent Behavior by any University Associate toward another University Associate, or toward the community on Campus or at an Off-campus Site, will not be tolerated.

B. Any University Associate having knowledge of Threatening, Aggressive or Violent Behavior toward another University Associate on Campus *must* report the behavior immediately to the University Police. The University Associate also may report the behavior to a BETA Team member, the Employee Assistance Program, the UMB Counseling Center, an appropriate school/department administrator, the Office of the Vice President for Academic Affairs, Employee/Labor Relations - Human Resource Services, or the Office of Student and Employee Health.

C. University Associates are encouraged to report Warning Signs exhibited by another University Associate. Warning Signs may be reported to a BETA Team member, the Employee Assistance Program, the UMB Counseling Center, an appropriate school/department administrator, the Office of the Vice President for Academic Affairs, Employee/Labor Relations - Human Resource Services, or the Office of Student and Employee Health.

D. A University Associate who is a victim of Threatening, Aggressive or Violent Behavior may be assisted, with limited confidentiality, by administrative and counseling (for faculty, staff and students of UMB) services available at the Campus. Any University Associate responsible for Threatening, Aggressive or Violent Behavior will be subject to appropriate administrative/disciplinary action up to and including expulsion from school (for students), termination of employment (for faculty and staff of UMB), and removal from UMB premises (for volunteers and other invitees).

E. UMB will not condone any form of retaliation against a University Associate who reports in good faith Threatening, Aggressive or Violent Behavior or Warning Signs. Similarly, UMB will not condone the deliberate filing of false reports of Threatening, Aggressive or Violent Behavior or Warning Signs.

F. Reports of Threatening, Aggressive or Violent Behavior by a UMB faculty, staff or student at an Off-campus Site are subject to this Policy as well as the policies of the Off-campus Site and applicable local laws. Reports that a person affiliated with an Off-campus Site, or Affiliate Personnel, is responsible for Threatening, Aggressive or Violent Behavior toward a UMB faculty, staff or student are subject to this Policy to the extent practical in order to protect the UMB faculty, staff, or student and/or to remove him or her from a potentially harmful Off-campus Site.

G. If a University Associate reports Threatening, Aggressive or Violent Behavior by Affiliate Personnel, UMB will notify appropriate officials of the Affiliate and seek cooperation from the Affiliate to investigate and resolve the matter.

H. Nothing in this Policy will be interpreted to require the UMB Police or any other law enforcement unit to delay investigations, arrests, or other appropriate law enforcement actions for the protection of University Associates or the public.

V. Confidentiality

Under UMB policy and applicable law, it is permissible for School Officials to disclose personally identifiable information to other School Officials who have an Educational Interest in order to fulfill a professional responsibility to UMB and/or University Associates. Similar disclosures may be made to appropriate individuals outside UMB in connection with a health and safety emergency after considering the severity of the matter, the need for information, the time required to deal with the emergency, and the ability of those to whom a disclosure is made to deal with the emergency. Institutional investigations of charges may require the complainant's identity to be known by the accused. Information gained by UMB about a student through observation of or through conversation with the student or others and not reduced to writing should be treated sensitively but is not confidential.

VI. Behavioral Evaluation and Threat Assessment (BETA) Team

A. The Behavioral Evaluation and Threat Assessment (BETA) Team coordinates activities responsive to reports of Threatening, Aggressive or Violent Behavior. The BETA Team roster will be posted on the UMB website and other designated places.

B. All standing and ad-hoc members of the BETA Team are considered to be (1) School Officials who have legitimate educational interests in accessing the education records of a student involved in an incident referred to the BETA Team; and (2) UMB officials with a legitimate interest in accessing the employment records and/or other personal information of a University Associate other than a student involved in an incident referred to the BETA Team.

C. The representative from the University Police will chair the BETA Team. The BETA Team will hold regular meetings on a bi-annual basis. Special meetings to address reports of Threatening, Aggressive or Violent Behavior may be called by the Chair or designee, at the request of any BETA Team member(s), or at the request of the UMB President, a Dean, or Vice President. Special meetings may be held in person, by conference call, or by a combination thereof. Alternates may participate if a BETA Team member is unavailable; at least four members or their alternates must

UMB Alerts Procedure

The UMB Police Force and Department of Public Safety is committed to providing the University campus and surrounding communities with innovative solutions and best practices in the delivery of law enforcement services. As part of this quest for continual improvement, the force and department regularly reviews alerts procedures and boundaries.

UMB Alerts will be sent in the following situations:

Incidents that occur on-campus (the area within the blue boundary of the campus map available below) as determined by the chief of police or his/her designee using the Clery Act as guidance.

Incidents that occur off-campus (outside the blue boundary on the campus map) when the suspect(s)/perpetrator(s) are determined to be a direct threat to the University community, as determined by the chief of police or his/her designee.

UMB Alerts will not be sent in the following situations.

- Incidents that happen outside of the blue boundary — regardless of whether a UMB student or employee is involved, except in the circumstance noted above.
- Incidents that occur within the blue boundary but are reported to the UMB police significantly after the fact.

Special Circumstances

UMB Alerts also may be considered under special circumstances with the recommendation of the chief of police and approval of the president or his/her designee. Examples might be civil unrest, traffic issues, or special weather-related events, which will be clearly marked as such.

The Office of Communications and Public Affairs is responsible for sending the above-named alerts and advisories after being requested by the chief of police or his/her designee, except under special circumstances or times of urgency or limited resources when the chief of police will send the communication him/herself.

APPENDICES
RECOMMENDED PREVENTIVE PRACTICES

Preventive measures can include pre-employment screening, identifying problem situations and risk factors, and security preparations.

Pre-employment screening: Identifying and screening out potentially violent people before hiring is an obvious means of preventing workplace violence.

Pre-employment screening practices must, however, be consistent with privacy protections and anti-discrimination laws.

To ensure that practices are consistent with privacy protection and anti-discrimination laws, it is strongly recommended that you discuss these practices with the Office of Human Resources Services. As an applicant is examined, the following should be taken into consideration as potential areas of concern.

- Indications of current abuse of drugs or alcohol.
- Past conflicts (especially if violence was involved) with coworkers.
- Past convictions for violent crimes.
- Indications of a defensive, hostile attitude.
- A history of frequent job changes and
- A tendency to blame others for problems.

Operation of effective Employee and Student Assistance Programs to aid in early identification and intervention efforts for those employees or students who may be displaying signs of emotional stress or who may be experiencing one or more of the life experiences commonly associated with psychological or emotional trouble.

Recognizing Inappropriate Behavior

Inappropriate behavior is often a warning sign of potential hostility or violence. When left unchecked it can escalate to higher levels.

Employees who exhibit the following behaviors should be reported and disciplined in accordance with organizational policy:

- Unwelcome name-calling, obscene language, and other abusive behavior. Intimidation through direct or veiled verbal threats.
- Throwing objects in the workplace regardless of the size or type of object being thrown or whether a person is the target of a thrown object.
- Physically touching another employee in an intimidating, malicious, or sexually harassing manner. That includes such acts as hitting, slapping, poking, kicking, pinching, grabbing and pushing.
- Physically intimidating others including such acts as obscene gestures, “getting in your face” and fist-shaking

Warning Signs of Potentially Violent Individuals

There is no exact method to predict when a person will become violent. One or more of these warning signs may be displayed before a person becomes violent but does not necessarily indicate that an individual will become violent. A display of these signs should trigger concern as they are usually exhibited by people experiencing problems.

- Irrational beliefs and ideas.
- Verbal, nonverbal or written threats or intimidation.
- Fascination with weaponry and/or acts of violence.
- Expressions of a plan to hurt himself or others.
- Externalization of blame.
- Unreciprocated romantic obsession.
- Taking up much of supervisor's time with behavior or performance problems.
- Fear reaction among coworkers/clients.
- Drastic change in belief systems.
- Displays of unwarranted anger.
- New or increased source of stress at home or work.
- Inability to take criticism.
- Feelings of being victimized.
- Intoxication from alcohol or other substances.
- Expressions of hopelessness or heightened anxiety.
- Productivity and/or attendance problems.
- Violence towards inanimate objects.
- Steals or sabotages projects or equipment.

Follow these suggestions in your daily interactions with people to de-escalate potentially violent situations. If at any time a person's behavior starts to escalate beyond your comfort zone, disengage.

DO

- Project calmness: move and speak slowly, quietly and confidently.
- Be an empathetic listener: encourage the person to talk and listen patiently.
- Focus your attention on the other person to let them know you are interested in what they have to say.
- Maintain a relaxed yet attentive posture and position yourself at a right angle rather than directly in front of the other person.
- Acknowledge the person's feelings. Indicate that you can see he or she is upset.
- Ask for small, specific favors such as asking the person to move to a quieter area.
- Establish ground rules if unreasonable behavior persists. Calmly describe the consequences of any violent behavior.
- Use delaying tactics which will give the person time to calm down. For example, offer a drink of water (in a disposable cup).

- Be reassuring and point out choices. Break big problems into smaller, more manageable problems.
- Accept criticism in a positive way. When a complaint might be true, use statements like, “You’re probably right” or, “It was my fault.” If the criticism seems unwarranted, ask clarifying questions.
- Ask for his recommendations. Repeat back to him what you feel he is requesting of you.
- Arrange yourself so that a visitor cannot block your access to an exit between you and the person.

DO NOT

- Use styles of communication which generate hostility such as apathy, brush off, coldness, condescension, and robot like communication, going strictly by the rules or giving the runaround.
- Reject all of a client’s demands from the start.
- Pose in challenging stances such as standing directly opposite someone, hands on hips or crossing your arms. Avoid any physical contact, finger -pointing or long periods of fixed eye contact.
- Make sudden movements which can be seen as threatening. Notice the tone, volume and rate of your speech.
- Challenge, threaten, or dare the individual. Never belittle the person or make him/her feel foolish.
- Criticize or act impatiently toward the agitated individual.
- Attempt to bargain with a threatening individual.
- Try to make the situation seem less serious than it is.
- Make false statements or promises you cannot keep.
- Try to impart a lot of technical or complicated information when emotions are high.
- Take sides or agree with distortions.
- Invade the individual’s personal space. Make sure there is a space of 3 to 6 feet.
